## Concerns over gypsy site plans

A LEADING town and county councillor fears that Bridport could soon be faced with its own "Dale Farm" if plans for proposed gypsy and traveller sites get the go ahead.

All Dorset planning authorities are working together with the Dorset County Council to produce a Development Plan Document (DPD) that will allocate permanent and transit sites to meet the county's needs for the next 15 years.

West Dorset District Council (WDDC) met yesterday to endorse the planned public consultation process later this year – when local people will have the chance to give their views on suggested sites.

**by Tom Glover**

Over the last year, consultants Baker Associates have been working to identify and assess potentially suitable locations against strict criteria, before drawing up a shortlist of options for each council.

The draft DPD has shortlisted 12 potential sites, including Bridport's Lilac Farm, which has previously been rejected as a site for the Waste Transfer Station.

Bridport Town Councillor Karl Wallace said: "It's ridiculous, I don't know why they just keep pushing this forward. When that site was proposed for the waste transfer station it was rejected due to the dan-

gers of access and egress, surely that still holds true for a travellers' site?"

The DPD estimates 20 residential and 22 transit pitches need to be found in West Dorset to accommodate the travelling community. However, the report suggests West Dorset would have to look at green belt land for more potential sites to help meet growth over the next 17 years.

In recent weeks the issue of traveller sites has hit the headlines with the ongoing high profile eviction of residents at Dale Farm traveller site in Essex.

Councillor Wallace fears that Bridport could see scenes similar to those at Dale Farm, if the proposed

sites get the go ahead and are not then managed properly.

"We have to make sure we don't have another Dale Farm on our hands, because we have all seen what has been happening in Essex," he said.

"We need to have reassurances that this site won't expand and get out of control. If travellers do move in they would need to become part of the local commu-

**BROUGHT up** in Leamington Spa until she was 16, and having travelled to the farthest reaches of the planet, Penelope Frigon now calls Bridport home.

After studying European Business Studies with French and Spanish in Essex she lived in London working for a photographers off Oxford Street for a while before leaving to travel. Penelope visited Malaysia, Cayman Islands, Mexico and Central America to name a few, teaching English in Japan along the way.

Having returned to the UK she completed a BA in French and Spanish at the University of Wales, became a part time private language tutor and then in 2006 started running French and Spanish groups for adults in the Beach and Barnicot and the Olive Tree Restaurant. Penelope has now combined learning with food and drink, by setting up Love Learning in Dorset. Love learning offers a variety of courses for adults and children at the Olive Tree in Bridport and the Phoenix Bakery in Weymouth.

For more information visit [www.lovelearningin-dorset.com](http://www.lovelearningin-dorset.com) or call 07817 302984.

### ■ WHAT was your favourite place you visited on your travels?

I loved them all in different ways as they all had a new perspective on life to offer. Perhaps I would choose Mexico for the relaxed and happy people that they are, the bright colours everywhere, and the fact that Mexican's speak a lot slower and clearer than the Spanish. One of my favourite memories is sitting on the pacific coast watching whales swim on by.

### ■ HOW do Japanese students differ from English ones?

The Japanese people are a lot shyer. They can read and write English perfectly but find it hard to have the confidence to string a sentence together. Having said that, their English counterparts can be hesitant sometimes too. It's important to feel relaxed and comfortable in order to let yourself open up, the glass of Rioja served in my evening Spanish classes certainly helps!

### ■ WHAT brought you to Bridport and what do you like about the town?

My parents retired down here and travelling along the coast road to visit them at the end of a balmy summer evening, sold me. How could I resist. Having travelled for many years, I can say that Dorset's landscape is up

there with the best.

### ■ YOUR husband runs the Olive Tree, what would be your favourite dish for him to prepare for you and why?

Ha! I know people may expect me to say this, but those that know my husband's food will agree that pretty much everything he cooks, is great and I love it. He cooks with passion and integrity. He once told me that every plate he

serves up to his customers he makes as if it were for himself, and that's what makes him a great chef.

### ■ WHAT benefits can someone gain from learning a new language?

Aside from the obvious benefits, learning a language has been proven to have many benefits that are great for all ages but particularly for those of a certain age, and that is keeping memory loss at bay, Alzheimer's etc.

### ■ WHO would be your three dream guests at a dinner party?

David Attenborough, a gentle and wise teacher; Frida Khalo the Mexican artist who had a difficult life, yet, her determination to overcome her challenges is inspiring and to round off maybe a few tunes with Nina Simone.

### ■ WHAT inspired you to start Love learning in Dorset?

I come from a family of teachers, my mum is a piano teacher and my dad is a Doctor of Engineering and was the head of a college in the Midlands. Languages are about getting your point across, being understood, communicating, in my opinion less important is having every accent in place. It's no problem to make a mistake, just have a go and do your best. Expanding and developing Love Learning in Dorset to incorporate other tutors is really the entrepreneurial side of me coming out. Bridport and the surrounding area is blessed with a lot of creative people who quite simply wish to share their passion. I have found this with the tutors that I have running courses for me.

# Young councillor's campaign helps spur on road repairs

A PETITION to see a dangerous Bridport road resurfaced, led by Bridport's youngest town councillor, has seen results.

Work to resurface St Swithins Road began on Monday (September 26) after a number of years of campaigning from Bridport Town Councillors.

When concerns were raised about the road last year councillors were told that any roadwork's would be put on hold until after the completion of the Dibdin View housing development.

After being elected in May this year, Bridport Town Councillor Lauren Glover took up the fight and led a petition to see the road resurfaced.

Councillor Glover said: "When I said I was standing for the council people told me the first thing I should do was get St Swithins Road fixed. It's great that the county engineers have brought it forward in response to our petition."

Leader of Bridport Town Council, Councillor Martin May, said: "We've all been going on about this for years with no result and then along comes a new councillor, Lauren Glover, who gets it done straight away. I think that's excellent, and very encouraging for all of us."

Councillor Karl Wallace said the result had been down to a "team effort" from councillors over the years.

"It's good news. Everybody has worked together on this, including councillor Glover who led the petition to get this done," he said.

"Everybody has been putting pressure on to get this done and it has paid off. They have been promising this for donkey's years and that stretch of road has become very dangerous for bikers and cyclists, and it's damaging to the underneath of cars, so it's great to finally see it being done."

Dorset Highways construction manager Adrian Norcombe said: "Over the last two severe winters, the carriageway of St Swithins Road has deteriorated rapidly. This has resulted in a series of potholes developing, which have required repeated visits by maintenance crews."

"In April 2011, the county council received £2.7 million from central Government through its winter damage fund. Since then, highways officers have been prioritising sites for inclusion in a resurfacing programme to address sites that contain clusters of defects that have required continual or repeated repairs."

"St Swithins Road has been identified as a site that falls within the criteria."

"The work could not have been carried out at this time without the additional £2.75m from the Government. The town council's petition was received while design work on the scheme was being carried out."

The adjoining roads to be re-surfaced are Fulbrooks Close, St Swithins Avenue, Broadmead Avenue, Armstrong Road and part of Fulbrooks Lane.

nity and not alienate themselves, and that would include paying their taxes.

"We don't want it to become another Dale Farm, it needs to be discussed properly with all the relevant councils. That means Loders Parish Council, Bothenhampton and Walditch Parish Councils and Bridport Town Council, and then we need to have a public consultation to see if this is actually what the people want."

WDDC are the first of Dorset's six borough and district councils, plus the two unitary authorities of Bournemouth and Poole, to consider the DPD.

If members approve the consultation, local residents, businesses, interest groups and travelling communities will be invited to find out more and have their say on the potential site options for each area. A series of public exhibitions are planned, supported by an online questionnaire and comments form.

Robert Gould, Dorset County Council's Cabinet member for environment, said: "This issue presents challenges for us all but we cannot solve the ongoing problem of unauthorised camping and development unless we have a planning policy that gives greater certainty for both settled and travelling communities."

"By working in partnership with all Dorset councils I hope we will be better placed to identify the best possible locations for sites that will help to meet the needs of gypsies and travellers who move across local council boundaries."

## Brewery encourages landlords to take on apprentices

PALMERS Brewery are encouraging their pub landlords to take on apprentices training at Yeovil College.

Tim Woodrow, Tenant Trade Director at Palmers, said: "Taking on one or more apprentices is an ideal way to recruit keen young people. Now is a good time

because the government has invested considerably in apprenticeships to make them even more relevant and worthwhile."

"Palmers is working with Yeovil College to support these opportunities. All of us in the trade know how important it is to find and retain good staff."

Apprentices learn on the job, with day release to study at college, earning at least £95 a week.

Peta Fraser, Faculty Director Business and Hospitality at Yeovil College, said: "We offer a range of NVQ courses that are highly relevant to the pub trade."

"These include profes-

sional cookery, hospitality supervision and leadership, housekeeping, customer services, food and beverage service and hospitality services."

"With 76 per cent of employers saying that apprenticeships provide higher overall productivity and 80 per cent saying that they reduce staff

turnover, they are a good option for many businesses, not just pubs."

If you are interested in finding out more about employing an apprentice, please contact Yeovil College direct. Ring

01935 845 392 or email Veeda Crichton, [veeda.crichton@yeovil.ac.uk](mailto:veeda.crichton@yeovil.ac.uk).

## 'No excuse' has an effect

By **HARRY  
WALTERS**

DRIVERS seem to be behaving better after police figures for the countywide "no excuse" campaign showed that the number of bad or careless driving offences in Dorset appears to be falling.

Statistics for the period January 17th-August 31st 2011 revealed 9,545 offences, down 605 on the same period in 2010. Of these, a total of 5,962 offences were for Officer Issued Tickets (OITs) with the remainder having been detected by the safety camera team.

Police say the six per cent drop is "encouraging" and they are particularly pleased that the percentage of those processed for not wearing seatbelts has dropped from 35 per cent to 23 per cent - 1,945 offenders down to 1,344 in 2011.

A spokesman said: "Despite this welcome improvement in the past year we cannot become complacent as there have previously been collisions where unrestrained children have been thrown from the car and the restrained adult occupants have emerged unscathed while fellow passengers who chose not to wear a seat belt have suffered life changing injuries.

"Unfortunately, the percentage of tickets processed this year by 'no excuse' for driving while using a mobile phone remains unchanged - 15 per cent - with 931 drivers putting their lives, as well as other road users and pedestrians' lives, at risk."

The spokesman added that officers were still amazed at the risk drivers were willing to take such as a further twenty motorists driving while not in proper control of their vehicle or with their vision obscured. Additionally, a further twenty five drivers were processed for driving without valid insurance or MOT in July and August 2011.

Dorset Police and its partners in Dorset Road Safe still maintain the drive to offer education options to dispose of traffic offences where possible rather than those caught facing fines and points or court appearances and the associated costs. Those taking the education option

see the benefits of the courses such as the Driver Awareness Scheme with many advocating that it should be a mandatory course for all drivers.

Chief Inspector Bob Nichols said: "This year we are continuing to see a reduction in the number of people killed and injured on our roads, although the number of offences detected shows that there are still drivers prepared to put their own and other road users' lives at risk through dangerous, careless, or selfish behaviour.

"However, I am confident that the majority of drivers attending our courses emerge as safer drivers with a better understanding of the simple changes they can make to reduce the risk of injury or death."

# Cafe has license to entertain

A WEST Bay business is hoping to bring regular live entertainment to the seaside resort throughout the year after being granted a license from the West Dorset District Council.

The Ellipse Caffé bar has been successfully granted an alcohol and live entertainment license, which will allow it to operate from 9am to

11pm, seven days a week.

The newly established business is co-owned by business partners Steve Tucker, Graham Dobney and Dave Parish. After having their license application approved Mr Tucker said he was keen to start staging events at the venue.

"We have to consider the fact that we've got

by Tom Glover

residents nearby so we've got to keep the noise levels externally down to a reasonable level, but we want local singers and artists to be performing here on a regular basis," he said.

"We'd like to feature some classical music and we are considering a comedy club as well, we

might run that once a week."

Mr Tucker believes that the venue can be part of the resort's current regeneration and he is encouraging other businesses to move to the area.

"I think the local developers and the councils have played their part by

redeveloping the harbour and the beach area and so we need more businesses to come along and become part of that," he said.

"We'd like more businesses to come to West Bay, we don't see that as competition we see that as complimentary to what we're doing. The more people we bring to West Bay as traders, the

more we will all benefit from it and West Bay will benefit from it. It's very much a community thing we are trying to get here.

"With the cost of travelling abroad, why go there when you've got this on your doorstep. West Bay has got so much going for it, hopefully more people will come to this part of the country rather than shooting on past to Cornwall."

Despite having big ideas about the future of tourism at West Bay, Mr Tucker hopes that the Ellipse Caffé bar can become a destination for local residents.

"My impression is that West Bay tends to hibernate a little bit in the winter and we have already got a lot of positive reaction from people to the fact we will be open in the winter," he said.

"We want to be here primarily for local people and then provide the service for holidaymakers in the summer. Are focus really though is to be an all year round local business for local people."

## Local meals on wheels service backs Hairy Bikers

A BOOMING Bridport catering service is backing TV chefs The Hairy Bikers in their latest campaign to save a Great British institution – Meals on Wheels.

In their latest TV series the celebrity chefs are racing to the rescue of the iconic institution of Meals on Wheels that at its height, delivered more than 34 million meals to the elderly and infirm. The four-part series shows how over the last eight years, the number of Meals on Wheels delivered nationwide has plummeted by more than a third, and highlights the importance of good food when caring for people in need.

Local Food Links, a community owned social enterprise, developed a new user led catering service during 2010, to provide older people with freshly prepared meals made from local and seasonal ingredients, and has been going from strength to strength ever since.

The service now provides traditional meals to an increasing number of lunch clubs across West Dorset, as well as a selection of schools and nurseries and since February 2011 have been offering a meals on wheels service in partnership with Agincare Cuisine.

The meals are prepared daily at Local Food Link's Bridport Kitchen, and include favourites such as roast pork and apple sauce, steak and kidney pie, stew and dumplings, and a selection of homemade puddings.

The service was created partly thanks to a £288,000 grant from Local Food, a £57.5 million funding programme supported by the Big Lottery Fund, which funds, food related community projects right across the country.

Catering for all dietary requirements, the Meals on Wheels service also gives residents the flexibility to order as often or as little as they wish. Orders can be placed through Agincare Cuisine who can be contacted on 01308 424884.

Hairy Biker's Meals on Wheels will next be on our screens on Tuesday, October 4th at 9pm on BBC Two. Previous episodes can be viewed online using the BBC iPlayer service.

■ **GOOD BEER GUIDE** - Graham and Jacquie Taylor celebrate their fourth consecutive year in the CAMRA Good Beer Guide

## Where to get a good pint

ALE drinkers can be sure of a good pint in Bridport, with two of the town's pubs featuring in the Campaign for Real Ale (CAMRA) 2012 Good Beer Guide.

The Tiger Inn and The Crown Inn both feature in the main section of the publication, recognising the quality of their ales and the way they are stored, presented and served.

The Tiger Inn appears in the guide for the fourth consecutive year. Landlord Graham Taylor said: "All of us at The Tiger work extremely hard to ensure that the beers we serve are of the very best quality and are presented exactly as they should be."

"I believe our selection of house and guest ales offers the beer drinker a wide choice of tastes and styles."

"To have this recognised by the only authoritative guide for four years running makes us all extremely proud of the recognition."

Landlord of the Crown Inn, Simon Warry, said: "It's absolutely fantastic and it's good that they have decided we are worthy of it and it's good to see the Palmer's Ales being appreciated."

"I think it's great for the town to have two pubs recognised for the quality of their beer."

"It will no doubt bring a few more visitors into the town."

## Wine and cheese night for hospital scanner appeal

A CHARITY "Cheese and Wine" event, hosted by Furleigh Estate, Salway Ash last week, attracted close to 100 guests.

The award winning wine makers hosted the evening on Thursday of last week with all profits from the event going to the Dorset County Hospital's Mammography Scanner Appeal.

The evening, sponsored by accountants Elson Frampton, gave guests the chance to try the Furleigh Estate wines,

by Tom Glover

a section of local cheeses and tour the winery and vineyard.

Owner of Furleigh Estate, Rebecca Hansford, said: "The weather stayed fine for the night so everyone was able to enjoy the vineyard at its best. The event was in aid of an excellent cause and the combination made this a wonderful evening."

## A day in the life...

PEOPLE from all walks of life are being invited to share a day in their lives by writing a one off diary entry for the Bridport Open Book festival.

The Diary of a Day project, run by the Bridport Arts Centre, aims to collect as many anonymous diary entries as it can from the same date to provide a snapshot of what is happening in the world, the country, the town and in individual lives in one day.

The diary entries can be as long or as short as you wish; handwritten or printed; illustrated, deeply personal or simply a list. The only rules are that all entries must be anonymous and must be written about your life on Tuesday, October 4th 2011.

Dairy entries can be posted in collection boxes sited at the Post Office, Waterstones, The Book Shop and the Arts Centre until Tuesday, October 11th. They can also be emailed to [kate@bridport-arts.com](mailto:kate@bridport-arts.com), although to save compilation time, hand delivering or posting the entries is preferred.

All the entries gathered will then be collated into books which will be on display at the Bridport Arts Centre for the public to read during the Open Book Festival from November 19th to November 26th.

■ **KEEPING MUM** – Volunteers from the Bridport branch of the British Red Cross completed a sponsored silence

■ IT was oh so quiet at the Bridport Youth Centre last week as members of the British Red Cross completed a sponsored silence for the charity.

Overseen by their official adjudicator, Reverend Canon Andrew Evans, a group of seven volunteers from the Bridport branch of the charity spent an hour in complete silence.

The group passed the time by reading, completing crosswords and even sleeping and are expecting to raise more than £400 through sponsorship.

Volunteer and organiser, Marjorie Lathey, said: "As it's the 100th year of the Red Cross each group was invited to do something different to raise money."

"As there aren't many of us we

weren't sure what we could do but then we thought why not do a sponsored silence?"

"It went well, we had one cough but you can't help that, it was a good laugh. I didn't expect to raise so much so we were very pleased."

The money will go towards the local branch of the British Red Cross.

## Volunteers needed as Thorners discovery project takes shape

VOLUNTEERS on the Thorners Discovery Area Project in Litton Cheney are calling for more help as they plan for their first big fundraising event - The Big Green Apple Day.

The voluntary project has been set up to regenerate an area of land, just larger than an acre, within the grounds of Thorners Primary School.

The land had become overgrown with blackthorn and bramble over six-foot high but is now being developed as an outdoor learning area, which will work as a base for outdoor curricular activity for the school.

Volunteer, Martin Bell, said: "Now the area is nearly clear we want to get the project moved on to its next stages but desperately need some help to get there."

"We need help from anyone who can volunteer to help us write funding applications and someone who is good at scrounging the materials we need."

"We are proud that most of our plants and materials to date have come from kind 'freecycle'ers, but we now need more building materials, gravel, sand, wood, screws and pondliner. Perhaps a local builders would be able to sponsor part of the project, our dipping platform or outdoor shelter?"

"We are in desperate need to find volunteers who can

come in and help with the area work itself, perhaps they are interested in the conservation aspects of the area or the outdoor learning development, perhaps you're a student wanting some experience for your CV or someone who likes just being outdoors and want the satisfaction of helping a local good cause."

The group are also looking for help to fundraise the project, with the first major fundraiser, The Big Green Apple Day, being held on October 15th.

"Anyone who would like to help us, please get in touch via the school office on 01308 482410, or visit our big green apple day and see the plan for the area yourself."

"Although Thorners is a small school, it's a school with lots of ideas but just need more man power."

The Big Green Apple Day will be held from 2pm onwards on Saturday, October 15th in the grounds of Thorners Primary School.

Entry is £1 for adults and free for children.

There will also be a best miniature garden and best decorated Wellington boot or shoe competition on the day.

Entry is 50p and must be presented to the judges before 3:30pm.

# Difficult growing year gives good results at flower show

RECORD participants and entries made Bridport and District Gardening Club's late summer show one of the best yet.

Strong entries across the board showed that a difficult gardening year hadn't affected the quality of plants, fruit and vegetables that competitors had produced.

The two biggest winners on the day were Mary Keens and Cyril Whitlock, who won the Bob Mills Memorial Cup and the E M Page Perpetual Challenge Cup respectively.

Having already picked up the Salon Culinaire Salver,

by Tom Glover

for the highest aggregate score in homecraft classes, Mary Keens won the Bob Mills Memorial Cup for the highest aggregate score across all classes.

Cyril Whitlock was the overall runner up, winning the E M Page Perpetual Challenge Cup, after claiming the Palmers Perpetual Challenge Cup for the best entry in the Dahlia classes and the Bridport News Challenge Cup for the highest aggregate score in the

vegetable classes.

Owner of Bridport's Groves Nursery, Clive Groves, presented the winners with their cups.

Show Secretary Monique Pasche said: "It was a very good show, especially since it was a difficult gardening year. We had a good number of entries with strong competition in every class.

"We had a wonderful show of dahlias and our judge, Mark Reed, who is a dahlia expert was very impressed with the quality of the blooms.

"The vegetable classes were also very impressive and we had a huge amount of preserves. People are

growing their own vegetables a lot more now and I think that's why we have seen so many more entries.

"We had a lot of younger competitors as well which was nice to see and it was great to have Clive Groves presenting the awards again, he is a very good supporter of the club."

## CUP WINNERS:

- The Redwood Bowl for best arrangement in Floral Art classes: Joyce Newton
- The Stanley Dean Cup for highest aggregate score in Floral Art classes: Joyce Newton

# Waltzing their way to fundraising target

**D**A NC E R S waltzed and fox-trotted their way to £500 for the Lyric Theatre's fundraising campaign during the Bridport Hat Festival.

The theatre has set itself a target of £8,000, to reach before November, 10th, in order to keep the venue running.

The theatre has now raised £3,240, with its latest event being a Mad Hatter's Tea Dance held during the recent hat festival.

The tea dance was well attended with 80 visitors, aged three to 89, being put through their paces by tutor Glenn Bayliss.

Dancers were taught foxtrots, waltzes, cha cha chas, the charleston, rumba, salsa and quick-step. A highlight of the event was a pasadoble performed by Marc Parret and Niki McCretton, the owners of the Lyric, which they had been given one hour to learn by Glenn.

The "Maddest Hat" award was presented to a man wearing a light up top hat, who received a bottle of wine for his ef-

forts.

Funds were raised through ticket sales, a tea and cake stall and generous donations.

Co-Manager of The Lyric theatre, Tessa Bide, said: "This was our most delightful event to date, 80 dancers all fantastically attired and over £500 raised for our fundraising campaign."

"The Lyric is perfect for a tea dance and all the dancers were in such good spirits; dressing up in beautiful finery and, of course, mad hats.

"Our fundraising campaign's going from strength to strength - we've now raised £3,240 but have a long way to go to our £8,000 target by November 10th. We've been overwhelmed by the generosity of our fans and supporters and we've received some incredibly generous donations.

"There's a lot of people out there with brilliant memories of the theatre who are really eager to keep it open so we urge them to donate and

by Tom Glover

spread the word about what we're doing to help keep the building afloat."

The Lyric will be holding weekly beginner-ballroom lessons with Glenn Bayliss every Tuesday from 7:30pm to 9pm starting from October 11th. The lessons coincide with the new Strictly Come Dancing series on BBC one and Tessa is hoping this will help attract some

younger dancers.

"I'm keen to get younger people trying ballroom dance," she said. "We all watch it on Strictly so why not do it ourselves too?"

For more information on booking and prices contact The Lyric on 01308 423951 or email admin@the-lyric.com.

**E**lectric bikes are an alternative way of getting to work and can be purchased through Government Cycle to Work Schemes. The maximum value of electric bike you can purchase, and the cost to you under these schemes depends on your employer and your personal tax situation. A good place for you to find more information is: [www.cyclescheme.co.uk](http://www.cyclescheme.co.uk). Savings are often around 40% of the value of the electric bike.

As part of their commitment to alternative ways of travelling to work, Axminster Tool Centre invited Axcess-Electric-Bikes to visit on Devon Car Free Day and bring some electric bikes for staff members to try. During the lunch hour, people could be seen touring around on the bikes and trying their power on nearby hills.

Surinder Kaur came to work on her rollerblades and Jim Preston by skateboard. Richard Beer tries an electric bike.

Peter Blackman from Axcess-Electric-bikes said that they have supplied bikes under cycleschemes for round trips of up to 24 miles, some people having chargers at home and work. "Some people live at the tops of hills and it is the last part home where they really need the power of the electric bike. The employees at Axminster Tool Centre are really keen. # Pupils paint pets for vets

SCHOOLCHILDREN from Salway Ash Primary School have been kept busy over the summer holidays thanks to a challenge from Beaminster veterinary practice, Girling and Bowditch.

The veterinary practice challenged local primary schoolchildren to paint their pets over the summer holidays and teachers now face the tough decision of picking their top three.

Entries so far included everything from dog and cats to guinea pigs, rabbits, goldfish and even a family snake.

The school's taking part alongside Salway Ash are Beaminster Primary, Hooke Court, Broadwindsor Primary, Sticklands Primary, Hinton St George Primary, Parrett and Axe Primary, Norton Sub Hamden and St Bartholomew's.

The three finalists from each school will go on show at Girling and Bowditch's Beaminster and Crewkerne receptions from early October.

On Saturday, October 22nd the pupils, their par-

Terry Girling, of Girling and Bowditch, said: "It's fantastic to see

the enthusiasm the students have shown. "Many of their paint-

ings are exceptional. It's clear we have some very talented children in our midst. Some may even grow up to become professional artists."

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

■ STAFF at Bridport's Boots store combined their fundraising efforts with the town's hat festival. The charitable team at the Bridport store wore hats throughout the festival but also donned wellington boots as part of Action Medical Research's "Wear your Wellies" day. Donations from the day will go towards Action Medical Research, the leading UK-wide medical research charity dedicated to helping babies and children.

# 'Blitz and pieces' entertain

A WARTIME style sing-along entertained users of Bridport's Chancery House when they paid a visit to Lyme Regis recently.

A group from the Age Concern day centre made a trip to Fairfield House Residential Home in Lyme Regis where they enjoyed an afternoon of live music and World War Two songs from "Blitz and Peaces".

During the interval Barbara Vousden, Chairman of Chancery House, was pre-

sented with a cheque for £200.

The money was a combination of funds raised by a Fairfield House resident, money from a raffle held on the day and a donation from Eytan and Michelle Krips, who own the residential home.

Fairfield resident Bill Simpson has written a book about the residential home and has raised £60 by selling copies for £1 each, with all proceeds going towards Chancery House.

A spokesperson for Fairfield house said: "All the residents and guests greatly enjoyed the nostalgia of the event and array of buffet food provided afterwards.

"It was a great opportunity for the Residents of Fairfield House and the Age Concern day visitors to meet new people and build new friendships.

"We look forward to hosting similar events in the future and helping local charities further."

# ViewLetters

Send your letters to [tom@pemedial.co.uk](mailto:tom@pemedial.co.uk)

■ THE following letter was sent in response to Nurse Executive Tim Archer's letter, which appeared in the View from Bridport on Wednesday, September 7th. In the letter Mr Archer said there was no link between the development of the St Ann's Hospital in Poole and the changes proposed at the Hughes Unit.

WE have attended two meetings with Managers. The second one, reported in your pages is the one Mr Archer refers to. He was not present at either meeting.

Concern was expressed by HUGS members about the likely impact on funds with the rebuilding of St Ann's Mental Health Hospital at Poole. There is no record that the managers made any response apart from noting the concern. Detailed minutes of this meeting were produced and a copy sent to the managers present; no amendments to these minutes have been requested.

The first meeting we had was with the same managers augmented by the Deputy Director of Joint Commissioning and Partnerships. We were presenting the results of a statistical study on bed provision and need throughout Dorset Bournemouth and Poole.

On discussing bed provision at St

Ann's, there was embarrassed laughter and we were told: "well actually St Ann's is going to be rebuilt". Later in the meeting the Deputy Director told us "There is no money this year, there may be some later".

Since then we have downloaded from Poole Planning web site the planning application. It amounts to 4,333 square metres of new build in two blocks and the renovation of an existing block of roughly half that area as well as the demolition and making good of a large block and other buildings. The site is at Sand Banks Poole, one of the most expensive pieces of real estate in the country and the building works will involve works contracts worth millions of pounds.

Such a large project will have a major financial impact on the whole Trust, consisting as it now does of Dorset, Bournemouth and Poole. It will inevitably mean that funds will not be available for other services and/or that cuts will need to be made to existing services. As such the proposals should be subject to the most stringent scrutiny particularly in these times of NHS financial difficulties.

■ JURASSIC SWAMP - Steve Griffith, curator of Abbotsbury Subtropical Gardens, in the primeval swamp he's created in homage to the Jurassic Coast of Dorset and East Devon

A PRIMEVAL swamp filled with plants from the time dinosaurs walked the earth has been created at Abbotsbury Subtropical Gardens.

The unusual landscape feature was inspired by the Jurassic Coastline and features plants from around the globe.

Steve Griffith, curator of Abbotsbury Subtropical Gardens, said: "The idea is to have plants that have been seen in fossils, ancient plants that have been on the earth since the Jurassic period 150 million years ago."

"What we've got here now was once dinosaur food. It's amazing, really. The dinosaurs have long since disappeared but these plants are still here. They've gone through massive changes of climate and temperature, adapted and survived."

The rare plants that make up the landscape include a Wollemi pine, thought to be extinct but re-discovered in 1994 in a remote Australian valley, the Dawn Redwood and medicinal Gingko from China,

the scaly tree fern, Cyathea australis, and the hairy tree fern, Dicksonia fibrosa, and young Chilean Monkey Puzzle trees.

The swamp is at the bottom of the Subtropical Gardens, in an area previously out-of-bounds to the public. Visitors have to cross a boardwalk and a bridge to reach it.

Mr Griffith said the swamp showed that gardens did not have to be conventional.

"One of the beauties of this is its foliage. It's evergreen. You don't have to rely on colours and flowers. You can get the atmosphere of a garden with shape, and form, and texture, with leaf."

The swamp is a follow-up to Abbotsbury Subtropical Gardens' appearance at Chelsea Flower Show in 2006, where Mr Griffith and his team planted a Jurassic Coast Garden, which won a silver medal and came second in the popular vote. Abbotsbury worked with garden developers Marshall James of Beaminster and Dorset and Devon County Councils.

■ THE wedding of Lee Richards and Claire Halsey took place recently at St Candida and Holy Cross Church, Whitchurch Canonorum followed by the reception at Salwayash Village Hall.

The bride was attended by bridesmaids Gemma Hart, Lucille Crouch, and Eryn, Madison and Alisha Richards and pageboys Jake and Zack Richards.

Luke Richards, twin brother of the groom was the best man.

## Harry Tate's

**HAVING** undergone full refurbishment and re-opened at the end of May this year, Harry Tate's on Marine Parade in Lyme Regis offers some of the best views across Lyme Bay. Specialising in Spanish tapas and Paella, Harry Tate's is a great place to get an authentic taste of Spain.

The manager and Chef Adam, has been heavily influenced by his time in Spain, where his father lived, and he spent time travelling around taking in the different cultures.

Adam has 12 years experience as a chef having worked in a variety of pubs and restaurants, as well as a hotel. He produces traditional Spanish tapas dishes, as well as some with a twist, using local produce and cooking them in a Spanish tapas style.

Lunchtime at Harry Tate's represent excellent value for money with many special offers available. You can expect great deals including 3 tapas dishes and a glass of wine for £15, or many light

lunch options with dishes starting from just £5, including beautiful filled tasca breads. Business lunches are also available, with lunch time opening hours from 12-2.30pm Monday to

The drinks menu also continues the Spanish theme with Estrella and San Miguel among the beers on offer, and a choice of Spanish Rioja's heading

able on Saturdays and Sundays from 9.30am until 11.30am, serving continental style breakfast with a choice of Meats, Cheese's, and pastries.

Take-aways are also available and Harry Tate's will soon be offering a delivery service as well. So in those winter months why not choose your favourite pizza or tapas dishes and have them delivered right to your door?

After a successful first few months, Adam is looking for the next Harry Tate's venue to expand the business.

**OPENING** the 22nd and 23rd October, one of the largest renewable energy providers in the South, Save Energy Group, will provide an opportunity to get up close and per-

sonal with the products that are enabling today's astute consumer to take control of rising energy costs by harvesting what comes naturally - daylight.

## Generate your own energy

**RENEWABLE** energy technologies like wind turbines, solar panels and biomass heaters offer an alternative to fossil fuels and can help reduce your homes CO2 emissions.

There are financial benefits too. Investing in a renewable energy technology now basically means pre-buying energy at today's prices for a future where energy may cost a lot more. If fuel prices rise, your pay back would happen even sooner.

As the impact of fossil fuels on our environment becomes ever more stark, renewable energy - with its non-polluting qualities and infinite capacity - is just what we need to save our fragile planet. It's thanks to the work of engineers and scientists that we are able to harness the renewable energy available to us and make it useful. Prepare yourself for our top 10 must-know re-

newable energy facts...

1. There are five main forms of renewable energy: solar, wind, water, biofuel and geothermal (heat from the earth).

2. If it could be properly harnessed, enough sunlight falls on the earth in just one hour to meet world energy demands for a whole year!

3. Ever the innovator, Albert Einstein (left) won the Nobel Prize in Physics 1921 for his ground-breaking experiments with solar power and photovoltaics.

4. The geothermal energy from the core of the Earth is closer to the surface in some areas than in others. Where hot underground steam or water can be tapped and brought to the surface it can be used to generate electricity.

5. A world record was set in 1990 when a solar-powered aircraft flew across the USA in 21 stages, using no fuel at all.

6. One wind turbine can produce enough electricity to power up to 300 homes.

7. The largest wind turbine in the world, located in Hawaii, stands 20 storeys tall and has blades the length of a football pitch.

8. An average wind speed of just 14mph is needed to convert wind energy into electricity; that shouldn't be too hard

to come by in breezy Britain!

9. Water is the most commonly used renewable energy resource, providing enough power to meet the needs of 28.3 million people.

10. Those clever old Romans not only gave us the modern drainage system and many of our roads, they were also among the first to use geothermal energy to heat houses.

## Chris Rudge Renewable Power Systems

**CHRIS** Rudge Renewable Power have expanded their range of green generation products to keep up with the ever increasing demands of their customers. As well as keeping Sharp, Sanyo, Kyocera and Sovello Solar PV modules as current stock at the Seaton offices, they have now expanded into the Solar Thermal area, offering packages for people looking for both technologies to be installed together.

New lower Solar PV installation costs for 2011 have proved to be popular, especially as this is last year the Feed in Tariff (FiT) will be at the current higher rate. From next April, the FiT will be going down by 7% a year for new installa-

tions. Anyone having an installation this year will benefit from the current index linked payment for the next 24 years.

Solar PV systems can now be fully installed from around £6200 for a 1.3kWp system up to

£12,500 for a 3.7kWp.

Chris Rudge Renewable Power also specialise in self contained 'off grid' battery systems for anyone who do not have a mains grid connection. These systems are tailor made for each installa-

tion, from a remote shed to a complete house or business.

For any electrical requirements you may have, call Chris Rudge Renewable Power on 01297 306114 or go to the website at [www.chrisrudge.co.uk](http://www.chrisrudge.co.uk)

## Keep your toilets clean! There is no excuse!

A few simple and proactive steps can make all the difference when cleaning your toilet. Many people and organisations (in non customer areas) neglect their toilets - possibly because it is seen as low priority and an unpleasant job. However cleaning your toilets on a regular basis can make all the difference.

Using Cistern blocks which can be less than £1.00 for two can be very effective in cleansing toilet bowls providing they are replenished on a weekly

basis, although you could possibly get away with every two or three weeks.

Using toilet cleaner around the toilet bowl just once a day and scrubbing with the toilet brush will also make a big difference if in combination with the use of cistern blocks. You could also use toilet bowl cleaner in urinals like described above as well.

Another important thing to remember is to clean your toilet brush also. If you do not then it will soon become dirty and contaminated with germs,

it will also collect dirty water which may well smell after time.

Sinks, mirrors, and tiles, should not be neglected also. You don't necessarily need to do this every day but make sure that it is done enough to keep it consistently looking presentable for the people who may use your toilets. Remember if a important customer or visitor to your house or business was to see your toilet it would reflect you as an individual or business and could be to your detriment.

# For a beautiful new kitchen just change the doors

advertiser  
announcement

[www.dreamdoors.co.uk](http://www.dreamdoors.co.uk)

Dream Doors Dorset is a Franchise of a National Company. It is owned and run by Andy & Shelley Stewart as a family business with reliable National branding & backing. Their expert staff will help plan your work, help you decide what materials to choose and explain what will happen in your kitchen.

Andy and Shelley Stewart, last year made it to the final three in the South West and South Wales regional heats for Franchisee of the Year Awards. Says Andy: "We're delighted to have made it this far. We know there are over 37,000 franchisees in the UK, so to be considered among the best is a real honour."

By replacing the doors, drawers, and if chosen new worktops, appliances and accessories such as plinths, cornice and pelmet a completely new kitchen can be achieved.

A kitchen facelift can save you up to 50% compared to a new kitchen and of course it's more environmentally friendly. But how does this work? A door makeover saves what is not broken such as the main structure of the kitchen including the carcasses and simply replaces the visible elements you want to change. In addition Dream Doors can also assist with minor re-designs and additional carcasses through to new kitchens. So flexibility and choice is the name of their game.

Why not transform your old or dated kitchen into something fresh and attractive. You can pick a colour, any colour, a style, any style and as the doors and carcasses are made to measure non-standard sizes are not a problem.

So whether you are looking for a contemporary, traditional, or a country kitchen it can all be carried out in only a couple of days and without the usual hassle, disruption and upheaval.

Why not visit the showroom to see what's possible and view the extensive range of styles and finishes, worktop choices and the range of NEFF appliances and Franke sink and taps.

IF YOU'RE looking for something to do this weekend, why not come and see the amazing Elkie Brooks - Live in Concert at the Electric Palace. Quite simply one of the most successful and popular singers the UK has ever produced.

Now celebrating her 51st year in music, she is still proving to be one the most powerful and versatile vocal talents of our generation. With numerous hit singles, million selling albums and awards, her annual tours are a treat for fans old and new.

Performing some of her classic hits, blues, jazz and perhaps a song or two from her forthcoming album, an electric evening with Elkie is guaranteed to leave you begging for more.

With over 15 hit albums and an entry in Guinness Book of Records for having more top 75 albums than any other British female artist in the last two decades, Elkie Brooks has made her mark with her husky voice and inimitable style.

Elkie is a stunning performer and whatever she does, she does it best live. Don't miss the chance to see a truly great artist in action. She will be at the Electric Palace on Saturday, October 1st. Doors open at 7pm and the performance will start at 8pm. # Weymouth beer festival set to be the 'best ever'

THE October Beer Festival will be the best ever in Weymouth, "bigger and better" say local Campaign for Real Ale (CAMRA) members.

Around 62 casks of real ale and 10 of real cider have been ordered as the traditional Octoberfest moves location to the Ocean Room at Weymouth Pavilion, on Friday 7th and Saturday 8th October.

The festival has been hosted by Brewers Quay for the past eight years, but closure of that venue earlier this year has forced a move.

"I believe Weymouth Pavilion is going to be an even better venue," comments CAMRA West Dorset chairman Dave Harris.

"The Ocean Room is quite a lot bigger, more spacious, with much more seating. One of the difficulties at Brewers Quay was the lack of room and the need for most drinkers to stand-up.

"Moving to the Ocean Room will enable us to increase the numbers attending by 25 per cent. The views across the bay will be an added bonus to those visiting from all over the country!"

"We were well looked after at Brewers Quay," says CAMRA spokesman Michel Hooper-Immins, "but the Pavilion is easier to reach and the new Park & Ride bus stops just outside.

"We are confident Octoberfest at the Pavilion will be bigger and better, putting money into the complex at the same time - helping to keep it open for the town."

As has been the custom at previous Octoberfests, a live band will play every evening, but lunchtimes will be quiet and music-free!

There are 250 tickets on sale for each lunchtime session and 400 for each evening session on October 7th and 8th. The Pavilion will be selling a full range of snacks at all sessions.

Among the 62 real ales ordered specially for the Octoberfest are eight from Cornwall, nine from Dorset, 11 from Wiltshire, 15 from Somerset and 19 from Devon.

A number of beer styles are represented, including a rare barley wine from the cask - Devon 10DER - brewed in Bideford and normally only sold in bottles. At 10 per cent ABV, it is two and a half times the strength of best bitter!

The famed Spingo Middle is brewed at the Blue Anchor in Helston, a venerable Cornish brew-pub dat-

ing back to the 15th century.

Among the nine real ales from Dorset brewers is the strong Tally Ho from Palmers in Bridport, Legwarmer Ginger from the Dorset Piddle Brewery at Piddlehinton and Badger First Gold from Hall & Woodhouse at Blandford St Mary - which recently won the regional CAMRA Champion Beer of Britain silver award.

Being brewed specially for the festival is Blackberry Mild, being made by CAMRA member Paul Smith at his Gillingham microbrewery. This will be the first time that a mild has been brewed in Dorset for many years and having won the Beer of the Festival Award at Weymouth last October and Dorchester this February with his Elder Sarum beer, brewer Paul Smith will be looking to achieve the hat trick!

Other Dorset beers include Portland Bill Porter from the Dorset Brewing Co at Crossways, Harvest Pale Ale from the Isle of Purbeck brewery at Studland and 6d IPA from the new Sixpenny Handley brewery.

Divided into two sessions on both the Friday and Saturday from 11am to 3pm and from 6pm to 11pm, admission costs only £3 for a lunchtime session and £4 in the evening, including a free festival glass to take home.

In the last two years, all four sessions have been sold out, so it is essential to buy tickets in advance from West Dorset CAMRA online at [www.camra.wdorset.org.uk](http://www.camra.wdorset.org.uk), from The Boot pub in Weymouth, The Blue Raddle in Dorchester, from the Weymouth Pavilion box office or by telephoning Dave Harris at 01305 772286.

## Pharaoh exhibition means temporary museum closure

A NEW blockbuster exhibition from the British Museum, Pharaoh: King of Egypt, is coming to Dorset County Museum in October. It is the largest ever UK loan of Egyptian objects from the British Museum.

The exhibition will open on Saturday, October 15th but the bulk of the artefacts will be arriving on Monday, October 3rd which will result in the museum having to close for that one day.

The team at Dorset County Museum apologise for this closure but would encourage everyone to come to the exhibition to see the results, which promise to be spectacular.

Part of a national tour, Pharaoh: King of Egypt tells the story of the ancient kings of Egypt. The exhibition includes over 130 amazing objects, many of which have never been seen outside London, from a life-sized royal tomb guardian from the Valley of the Kings, to intricate gold jewellery, granite statues and 5,500 year-old bread.

Neil MacGregor, Director of the British Museum said: "This exhibition is a fantastic example of collaboration between the British Museum and its partners across the UK."

The exhibition runs until January 22nd 2012.

# Poetry for Pleasure

by Frank McGarry

WHEN we talk of war poetry our minds turn to the Great War of 1914-1918 but in America they are just as likely to think of the Civil War, which also lasted for four years, from April 1861. This famous poem by Ethel Lynn Beers (1827-1879) was published in Harper's Weekly in November 1861 - almost 150 years ago.

### THE PICKET GUARD

ALL quiet along the Potomac to-night!"  
"Except, now and then, a stray picket  
Is shot, as he walks on his beat to and fro,  
By a rifleman hid in the thicket.  
'Tis nothing—a private or two now and then  
Will not count in the news of the battle;  
Not an officer lost—only one of the men  
Moaning out all alone the death-rattle."  
All quiet along the Potomac to-night,  
Where the soldiers lie peacefully dreaming;  
Their tents, in the rays of the clear autumn moon  
Or the light of the watch-fire, are gleaming.  
A tremulous sigh of the gentle night-wind  
Through the forest-leaves softly is creeping,  
While stars up above, with their glittering eyes,  
Keep guard, for the army is sleeping.

There's only the sound of the lone sentry's tread  
As he trams from the rock to the fountain,  
And thinks of the two in the low trundle-bed  
Far away in the cot on the mountain.  
His musket falls slack; his face, dark and grim,  
Grows gentle with memories tender  
As he mutters a prayer for the children asleep—  
For their mother; may Heaven defend her!  
The moon seems to shine just as brightly as then,

That night when the love yet unspoken  
Leaped up to his lips—when low-murmured vows  
Were pledged to be ever unbroken.  
Then drawing his sleeve roughly over his eyes,  
He dashes off tears that are welling,  
And gathers his gun closer up to its place,  
As if to keep down the heart-swelling.

He passes the fountain, the blasted pine tree,  
The footstep is lagging and weary;  
Yet onward he goes through the broad belt of  
light,  
Toward the shade of the forest so dreary.  
Hark! was it the night-wind that rustled the  
leaves?  
Was it moonlight so wondrously flashing?  
It looked like a rifle—"Ha! Mary, good-bye!"  
The red life-blood is ebbing and plashing.  
All quiet along the Potomac to-night,  
No sound save the rush of the river;  
While soft falls the dew on the face of the dead—  
The picket's off duty for ever!

During the Civil War the same lady also wrote this.

### WHISPER SOFTLY, STAINLESS LILIES

WHISPER softly, stainless Lilies,  
As you fold each snowy cup  
Over soldiers who are sleep,  
With their war-tents folded up.

Bear to them our loving message,  
In thy sweet unwritten speech;

Chime, white bells, above them softly,  
Echoes only angels teach.

Tell them, Roses, as you wither,  
Tho' their dust shall heed you not;  
Still by song and flag and blossom  
We would prove them unforgotten.

Show them, Pansy's purple shadow,  
Through thy heart of golden bloom,  
How the light of deeds heroic  
Overlies the darkened tomb.

Passion-flow's with mystic meaning,  
Lordly, bannered Fleur-de-Lis.  
Mignonette and pale Narcissus,  
Soldier dust, we give to thee.

Myrtle crown and Laurel chaplet,  
Fragrant things that bloom and die,—  
These, O camp of silent sleepers!  
Over every outpost lie.

These we leave with loving message—  
Crowns, the faithful Earth will keep,  
While the sacred dust of heroes  
Still she softly holds asleep.

## Intimate setting for one-woman show

BRIDPORT Arts Centre will welcome Hot Ice Theatre and their production of *Bed & Breakfast* in the intimate setting of the Arts Centre Café this Saturday (October 1st).

The tragic-comic monologue explores the steamy underside of rural idyll. As a guest at Hive Corner, Upper Crevice's finest (and only) bed & breakfast you will meet Carol Carpenter - the newly widowed hostess.

She loves to talk. But as Carol's stories of local life, local people, and her lengthy marriage unfolds over 50 minutes you may suspect that things in Upper Crevice are not as comfortably cosy as first they seem.

Programme manager Margie Barbour commented "This well crafted, atmospheric humorous monologue is perfect for the intimate Arts Centre Café. It's a gentle story with a twist that will delight audiences."

# A splendid time is guaranteed for all

FIVE-piece Beatles tribute group, Sgt Pepper's Only Dart Board Band, is renowned for their storming live shows - and they're at the Woodmead Halls, Lyme Regis this Saturday (October 1st)

The band, with their own Fab Four plus Sgt Pepper on keyboards, performs the most complex Beatles songs completely live and without the use of backing tracks.

Creating a faithful reproduction of the Fab Four's greatest hits and a selection of well known album tracks, the guys in their full Pepper regalia produce a tight and compact sound guaranteed to give a splendid time to all.

The band known as "probably the most entertaining Beatles tribute in the UK" is ideal for theatre or club audiences with their humour and the tongue in cheek wit they bring to their shows.

Keeping the Beatles music and spirit alive, audiences, new, young and older, will love this band and their show. Catch them live before they become

older than the originals!

Tickets are £11 in advance or £13 on the night. Doors open at 8pm (doors open at 7:30pm). # So you think you're funny? Here's your chance to prove it!

WANNABE comedians are wanted to join the bill for upcoming Bridport Comedy Café nights after the first event proved to be a sell out success.

Extra seating had to be added to the café for the first comedy night and some latecomers had to be turned away at the door after a higher than expected turnout.

Resident compere, Tom Glover, said the success was down

largely to the attraction of local acts.

"The first night went better than I could possibly have imagined. The café proved to be a great place for comedy and there was such a buzz in the room with so many people there," he said.

"A particular highlight was the fact we had three comedians on the bill who live in or near the town, as well as myself. The audience really

enjoyed watching people they know, talking about things they can relate to.

"Instead of jokes about Oyster cards and tube timetables, which you hear from the London comics, it was humour about rural life and local events."

Local acts who performed on the night were 14-year-old Beaminster schoolboy Rex Fisher, Bridport man Paul Siebenthal, per-

forming his third ever gig, and charity shop volunteer Gary Ball, who added a surreal touch to the night with his lively character "Barry Barking," a character he performed as for the first time. Completing the bill were Jason Manly, Michael Bilham and headliner Ashley Frieze.

Tom is now on the lookout for more new local performers who

want to give stand up a go.

"There is no denying that performing stand up is a frightening prospect, especially in your hometown, but the comedy café nights really are the perfect place to give it a go.

"We didn't have one heckler on Friday night and everyone had a great response from the crowd.

"You only have to do five minutes and it will be over before you know it, but I promise you won't regret doing it.

"Word has spread already about how nice the gig was and I'm being inundated with acts from across the country who want to perform, but I'm holding off at the moment because I'd really like to see

more local comedians on the bill."

Future Bridport Comedy Café nights will be on October 14th, November 18th and December 16th.

To find out more about performing contact Tom Glover on 07738 153511 or email tomglover88@hotmail.co.uk

To book tickets for any of the future nights contact the Bridport Arts

Centre box office on 01308 424204 (£5/£3 concessions).

## Archive film of West Bay goes live on Close Encounters website

A SILENT melodrama about drug smuggling at West Bay features on a new website, alongside modern-day interviews with local people.

The Close Encounters media trail takes people on a journey of the resort as seen through the eyes of a group of amateur actors in the 1930s and through the microphone of journalist Margery Hookings.

The film is Dope Under Thorncombe, made by hairdresser Frank Trevett and his family and friends, which was set to a new musical score by Rachel Leach in 2009.

Trevor Bailey, director of the Windrose Rural Media Trust, which created the website, said: "It was shot on 9.5mm film, the amateur's favourite film choice in the 1930s. It was an amazing project for local people to take on and has been crying out to be given its own special music and to be seen more widely."

The film, accompanied by a live performance of the new score, was seen by an enthusiastic audience at Bridport Arts Centre and Burton Bradstock Village Hall last year. It can now be viewed on the Close Encounters website where there are also photographs and audio interviews with local people who have special links to West Bay.

These include Arthur Watson, from the Riverside Restaurant, who talks about the build-up to the D-Day landings when American troops were stationed at West Bay, Margaret Grundell, who has been serving ice creams on the seafront for more than four decades and Jo Hawker, whose family have been involved in fishing for generations.

The film can be accessed online by going to <http://www.closeencounters-mediatrial.org.uk>. The website also features old films about Iwerne Minster, in north Dorset, and Salisbury.

## New yoga classes

WE ARE often drawn to Yoga for its physical benefits - it's a great place to start - but Yoga can be more than just physical exercise; it can benefit us in all areas of life.

The practice of Yoga combines the physical postures, the energy of the breath, mental focus and awareness. Together this can bring a greater sense of wholeness and well-being.

Aligning these aspects of ourselves can bring healing and peace within, and that which is within is naturally reflected back into the world.

At whichever stage of life you are at, whether you are seeking more energy and strength, greater flexibility and calm, or for personal development, a Yoga practice can help bring some balance to your life, can help improve health and posture, and can profoundly change the way you view the world.

Yoga can also be applied to address specific situations such as pregnancy; neck, back or shoulder pain; excessive stress or anxiety; and also hyperten-

sion, arthritis, depression and the management of pain. More personally, it can be used as a tool to search for a greater meaning in your life.

Yoga Teacher and Yoga Therapist, Michelle Perkins, has been practising Yoga for over 15 years. Originally training as a contemporary dancer, and later on as a nurse, she combines her wealth of knowledge and direct experience to lead people through their own Yoga journey.

She has the skill to adapt the age old teachings of Yoga to the individual needs and aspirations of life today.

Michelle believes that the practice of Yoga postures and breathing techniques are invaluable resources.

A regular practice is very rewarding, and accumulates much benefit for the body and mind.

Michelle welcomes all enquiries. Group classes in Bridport and North Perrott run on Thursdays from October 6th for nine weeks.

## Electric Palace

### Full of character and something completely different

**THE** beautiful Electric Palace in Bridport has become a very popular choice for weddings with its large auditorium and original 1920s décor. The old cinema is full of character and offers something completely different to other more traditional venues. As well as local weddings, many Brides and Grooms are travelling from London, Surrey and beyond for the opportunity to have a wedding in such an unusual setting.

Gabby Rabbitts of the Electric Palace told us that 'I think couples are starting to look for something different for their wedding. You see so many photographs of weddings in exactly the same location on exactly the same spot.

The Palace provides a completely unique setting that you and your guests will always remember.'

She went on to say that 'although the building is a completely unique experience, the layout can stay traditional if preferred with welcome canapés and wine in our front reception

and dining and dancing in the main auditorium.'

The Electric Palace works with an interior stylist who dresses the room to your taste as well as a superb local caterer who makes everything including a range of homemade breads.

With the highly ac-

claimed title of being 'the most exciting entertainment venue in the South' the Electric Palace has excellent contacts in the entertainment industry and is happy to recommend live music and DJs to ensure that you and your guests have the best reception possible.

## 'Salty Socks of Dunkirk' on tour

SHANTY Theatre's production of 'The Salty Socks of Dunkirk' - which was performed at Lyme Regis' Marine Theatre throughout the summer - is now on tour.

It's a story about a boy. And a boat. And some socks. Set at the beginning of World War II and dripping with Brylcreem, bunting and BBC broadcasts, a young boy has the world at his feet.

There is nothing he can't do. There's no tree he can't climb, no race he can't win and no challenge he can't meet. Until one day he finds his mother crying...

With Shanty's mix of mystery, mayhem and musical

mirth, stories come to life, adventures become history and socks become legend.

Last year's 'Rat's Tale' went down a storm on the Art-sreach circuit and this follow-up production will delight audiences of all ages (ideally aged seven or above).

Local performances of the production include Burton Bradstock Village Hall on Friday (call 01308 897214 for tickets) and Toller Porcum Village Hall the following day (Saturday, October 1st - call 01300 320373 for tickets). ## Award winning roots duo to give unique show

BBC award winning fiddle player and singer Tom McConville appears at the Marine Theatre, Lyme Regis, alongside unique guitarist David Newey, next Wednesday (October 5th).

This duo are internationally renowned for their fiery, heartstopping performances. Tom, who won BBC Folk Musician of the Year in 2009, is truly the most original fiddle player in the UK, blending traditional music from his home town of Newcastle with Irish, American and Scottish influences, creating a sound that has jazz, folk, bluegrass and

classical influence. He has appeared alongside Stephane Grappelli, Barbara Dickson and Lindsifarne, and recorded with Richard Thompson and continues to be in huge demand.

Seth Lakeman and Kate Rusby count him as a huge influence - indeed, it was Seth who presented Tom with his award.

David's guitar playing is unique and unrivalled, encompassing both the flatpick and fingerstyle techniques with power, fluency and control. He often blurs the boundaries between acoustic

and electric styles, coaxing out sounds normally associated with rock'n'roll, jazz and country. David himself is a 2003 Radio Two young folk award finalist.

Together since 2008, the two have created a sound that is in huge demand both in the UK and worldwide, having played all the major UK festivals and concert halls.

With the release of his latest CD *Tommy on Song*, Tom is showing that he has no intention of slowing down, always keen to put his music in front of anyone, anytime.

They are always happy to

listen, coming away from a show with the tunes in their heads, singing the choruses, and with the memory of an

unforgettable night.

Tickets are available at £10 each. See the advert on page 31 for more information.

## Caterham Cars launches new technology business

- Company to be responsible for new road cars and more
- Shared technologies with Formula One and motorsport operations

In the first announcement since its takeover last April, Caterham Cars, makers of the legendary Seven, has released details of a standalone engineering business, Caterham Technology and Innovation Limited (CTI)

The Company will be responsible for the development of a completely new line of accessible and affordable sports cars inspired by the lightweight, minimalist philosophy of the Seven and drawing on the advanced technologies and materials from the Group's Team Lotus Formula One and Caterham Team AirAsia GP2 motorsport operations.

In addition to the next generation of Caterhams, CTI will undertake advanced projects for external companies operating within the automotive and aerospace sectors.

"The new shareholders are committed to investing in an exciting range of global products over the next 10 years," says Mark Edwards, CTI's Chief Executive. "Tony Fernandes has been very clear from the start that Caterham needed a sustainable research and development business model in order to meet the plans the management have for the road car business.

"By establishing unique operating principles for CTI, we have managed to attract a world-class team of niche vehicle engineers eager to build on the ethos of Caterham and the DNA of the Seven."

Among the first in a series of respected industry figures to join the new operation will be Tony Shute. Joining as Head of Road Cars for the new business and, as an avid motorsport competitor in his own right, Shute is credited with bringing the ground-breaking Series 1 Lotus Elise to market.

"When the opportunity to be involved with creating the next iconic Caterham arose, I couldn't turn it down," says Shute. "The core principles and ambitions of CTI have enabled us to attract some of the brightest and most respected talents in their fields." Further announcements will be made in due course.

The new business will focus on unique vehicle architectures, high performance engines, advanced materials and manufacturing technologies in association with the Formula One and GP2 race teams.

Speaking of Caterham Technology and Innovation, Caterham Cars' Chief Executive, Ansar Ali, says: "Creating a new product range that has the same reputation and appeal as the Seven, which delivers on the promise of accessibility and affordability, is the Holy Grail in this business. To meet the challenge, we knew we needed to invest in a new operation that would have the scope, experience and vision to deliver."

He adds: "I feel very confident that our customers will be very pleased with the products I have challenged CTI to deliver, in addition to supporting the Seven and I look forward to revealing our plans in more detail soon."

Caterham Technology and Innovation is based in Norfolk near the Group's motorsport operations.

## GOALS, GOALS, GOALS!

### Champs defeated on Combe slope

#### DIVISION ONE CUP

**Beaminston Res 0 Norton Ath 2**  
BEAMINSTON Reserves were somewhat surprisingly dumped out of the Division One cup by struggling Norton Athletic. Rainbows' manager Robin Ormsby cited a "Lack of fitness and basic defensive errors" as the root cause of the defeat. Ashley Rose and Aaron Purnell netted for the Norts. Lee Gillard was voted MoM for the hosts.

#### Misterton 0 Millwey Rise 3

MILLWEY Rise extended their winning run to eight games as Matt Hall, Marc Jenkins and Callum Garrett scored the goals in a comfortable first round victory at Mister-ton.

#### Perry Street Res 0 Netherbury 3

DESPITE earning a home quarter-final against Forton Rangers Netherbury manager Andy Loudon was not 100 per cent impressed by his side after a 3-0 win over Perry Street Reserves.

"We overplayed at times, there is definitely more to come from this team - we are still developing" said Loudon.

Ali Kamara put the Ambers ahead on 20 minutes with the pick of the goals and late strikes from Ryan Gay and Tim Hussey ensured there would be no slip-up.

Loudon picked out John Kingston at left wing-back as his star performer.

**REVISED DRAW;** Netherbury v Forton Rangers, Beaminston v Ilminster Colts, Millwey Rise v Shepton Beauchamp, Lyme Regis Res v Norton Athletic.

#### JOHN FOWLER CUP

**Hawkchurch Utd 3 Drimpton 2**  
DRIMPTON crashed out of the John Fowler Cup despite taking an early lead through Dan Legg. The Hawks stormed back and Chris Rowsell's late strike was a mere consolation.

**REVISED DRAW;** Winsham United Res v Luso-Chard, W & M Chinnock Res v Millwey Rise Res, Hawkchurch v Chard United, Waytown Hounds v Combe A.

#### PREMIER

**Combe Res 2 South Petherton 1**  
SOUTH Petherton's hopes of retaining their Premier Division title were dented when they were beaten 2-1 at Slades Cross. Pethy took the lead when Rich Hebditch scored his 13th goal of the season from the penalty spot.

But the Saints were level soon after in similar fashion with Simon Vincent scoring from the spot-kick.

Jamie Cornhill bagged the winner for Combe with South Petherton manager

Gordon Childs confirming the club would be making an official report concerning the performance of referee Andy Dyke.

#### Crewkerne Town 6 Perry Street 1

ALTHOUGH his side cruised to a 6-1 victory Crewkerne boss Nick Murphy selected goalkeeper Dale Wood as his Man-of-the-Match: "He (Wood) was superb. A penalty save at 2-0 was crucial but he also made a number of other fine stops" said Murphy.

Craig Lodge and Adam Swinnerton put the Tigers on top before Wood's penalty save. The second-half brought goals from Jamie Spurdle (2), Kev Wheeler and Barry Hayne as the hosts recorded their first win of the season. Murphy also had a mention for Hayne in an unfamiliar full-back role.

#### Lyme Regis 6 Merriott Rovers 0

THE Seaside had few problems in disposing of a strangely low-key Merriott Rovers side as they leapt to the top of the Premier Division.

Joe Bond, restored to his preferred striking role put Lyme ahead in the ninth minute when he latched on to a long through ball from Dom Rowe before beating Rovers' keeper Adam Berry at his near post.

Rowe himself doubled the lead seven minutes later when he rose well to head home Joel Gostling's long free-kick.

Steve Batey effectively wrapped up the win with another acute angle strike on the half-hour.

The visitors went close with a rare foray soon after but Ashley Caddy made a fine reaction save at his near post to keep out a Tom Case volley.

The second-half began with Berry denying Bond three times, including a full-stretch tip on the post, as the pair developed a private duel.

At the other end another Case effort was headed off the line by Mark Bailey but this proved to be Merriott's last real opportunity as Lyme eased up through the gears.

Bond took his personal tally to four in two games, as he bundled home the fourth in 69th minute.

A minute later Adam Caddy surged onto another incisive Rowe through ball before finishing crisply.

Batey went close to bringing up the half-dozen but his effort clipped an upright with Berry beaten.

The overworked Merriott gloveman was forced off with a back injury soon after with Craig Fall taking over between the sticks.

The youngster's first job was to pick the ball out of the net at Batey nodded in at the far post to complete a comprehensive victory for the Seaside who, as a news of the result at Combe filtered through, have

now assumed the role of title favourites.

#### W & M Chinnock Res 1 Beaminston 4

A HEAD injury suffered by influential Murray Legg cast a shadow over Beaminston's 4-1 win at Oxleaze.

The Rainbows, who came back from 1-0 down, were far from their best but still had too much in the tank for the hosts.

Ben Ward equalised before the break with a raking 20-yard shot.

Top scorer Andy Mapstone edged the visitors ahead with his fifth of the season before substitute Andy David, returning from injury, headed home to make the points safe. Dave Penn completed the scoring late-on.

#### Winsham United 1 Ilminster Res 4

JONNY May, Paul Hardy, Dan Vining and Brad Miles scored the goals as Ilminster Reserves toppled Winsham from their perch as early season league leaders. Tom Stead netted for the hosts.

#### DIVISION TWO

**Pymore 6 Chardmouth 2**  
PYMORE led all the way in the West-Dorset derby game at St Mary's.

The goals were equally shared with Chris Good and James Pitcher netting as the hosts got their noses in front 2-1 at the interval.

Ex-Chardmouth man Dean Obstancias made it 3-1 before late strikes from Cameron Murless, Brandon Scadding and Tom Gale made the points safe.

Good and Rob Wayland were in fine form for Pymore. Matt Pile, with a long-range scorcher, and Paul Grinter scored for Chardmouth.

#### Uplyme 9 Hinton 1

UPLYPE ended a seven game winless stretching back into last season as they crushed hapless Hinton 9-1 at Venlake.

The visitors took a surprise early lead when 'keeper Lloyd Cleal made a complete hash of a long back pass and hooked the ball into his own net.

But it wasn't long before the Swallows took complete control. John Davies levelled, before Steve Gillan notched the second following a short-corner routine.

Gavin Fowler made it 3-1 soon after and an Adam Neale bullet header ensured the points were safe before the turnaround.

Uplyme manager Rob Coombe was able to introduce three substitutes in the second-half and one of these, Joel Seward cut a swathe through the Saints ranks on two occasions to extend the lead to 7-1 after Fowler had netted his second.

Club record goalscorer Fowler then rounded-off his hat-trick with Gillan completing the scoring late-on.

Afterwards Coombe gave a mention to 16-year-old full-back Callum Taylor who made an impressive debut at right-back.

#### DIVISION THREE

**Waytown Hounds 7 W&M Chinn Res 3**  
THE Hounds hit seven for the second week running, but it didn't always look like it would be as comfortable.

Dan Dunford put the Hounds in front when he fired home from the edge of the area, but for the next 30 minutes it was all Chinnock as they scored three in quick succession. The Hounds pulled one back just before half-time when Tom Menaldino headed in a fine cross from Dunford to make it 2-3 at the break.

The second-half was all Hounds. Matt Read showed his usual composure and slotted the ball into the bottom corner for the leveller and then Menaldino got his second with an overhead kick. The in-form Menaldino then completed his second hat-trick in a week with a fine volley.

Steve Battrick, playing his first league match for the team, scored number six direct from a corner kick and then Menaldino rounded it off with his fourth.

The Man-of-the-Match award was shared by Menaldino and Dunford.

#### DIVISION FOUR

**Ilminster Town A 12 Uplyme Reserves 1**  
THERE was precious little for Uplyme joint-manager Andy Cleere to cheer as Uplyme Reserves were thrashed for the second time in a week.

"We lack any leadership and played with no gusto at all. Our defensive frailties are obvious - no team should concede eight headed goals" said Cleere. Jamie Jones reduced the arrears to 9-1 from the penalty spot in the second-half.

Cleere felt goalkeeper Rob Prosser did well to keep the scorline down to a round dozen and was also impressed by the efforts of Will Francis.

But with a mounting injury-list, and Jones and Francis heading off to university, there could be more tough times ahead for the Swallows' second-string.

#### Lyme Bantams 9 Crewk Rangers Res 1

NEW signing Pete Peacock broke to Lyme Bantams' individual goalscoring record with five goals as the Seaside's crushed league new boys Crewkerne Rangers Reserves 9-1 at the Woodroffe School Ground.

Rob Mackenzie (2), Jack Durrant and Danny Thirlwell (pen) also scored for the Seaside who racked up their biggest score for more than two years (11-0 v Shepton Res).

RESULTS - September 24th

**OPENER:** Ben Ward set Beaminston on their way to three points in the 4-1 win at West & Middle Chinnock.

**HAT-TRICK:** Uplyme striker Gavin Fowler scored three times in the 9-1 demolition of Hinton.

**DOUBLE:** Steve Batey scored two as Lyme Regis thrashed Merriott 6-0 to move two points clear at the top.

## LYME REGIS BOWLS ROUND-UP

# Victory for club captain

SADLY, this is the last missive of the current outdoor season finishing as it has in warm sunshine writes Paul Moffitt.

Just one friendly for the ladies, against Seaton, who managed to secure a good win when so often this fixture goes the other way.

The men had their annual inter-league friendly, when all the league playing Club members have a chance to pit their skills against one another. This was followed, as dusk descends, by supper, very kindly prepared by all the ladies who look after our post-match hunger during the season.

League captains: Peter Eagles, Denis Perry and Richard Cridge all paid tribute to the ladies and various gifts were presented to: Judith Moffitt, Maureen Gillett, Jan Parsons, Jill Wells, Yvonne Moody and Sue Wood. Thank you very much ladies, the time you give to this is very much appreciated.

Saturday saw the end of season fixture between the President's side and the captain's side. In the end it was the Captain's side which came out marginal winners.

Again, a super spread was put on for some 60 club members, all paid

for by the President and captain, and willingly prepared by Margaret Bartlett, Sue Wood, Val Cozens and Jan Parsons.

Result: **LYME LADIES 62 SEATON LADIES 43.**  
J York, D Courtenay-Smith, J Moffitt, K Clissold 21-16; S Dowling, S Applebee, J Parsons, C Barber 32-8; J Perry, M Gillett, J Kesterton, N Stephens 12-19.

◆ The next official gathering will be on 8th October for the Annual Dinner & Presentation of trophies.

## In-form David and George split by count-back

#### LYME REGIS GOLF NEWS WITH STEVE PERCIVAL

##### SENIORS GOLF

WITH the end of the summer season fast approaching, the Lyme Regis Golf Club Senior section staged their final monthly stableford of the season.

Although the weather was somewhat squally there were some excellent scores carded. In particular Peter Cogan (8) recorded yet another outstanding round with a 39 points to win Division One.

In second place, on count-back, was Jim Rowland-Rees (11) also with 39 points. Close behind with 37 points was Peter Hardisty (17). Peter also recorded a hole-in-one on the 8th.

Division Two was won by Peter Williams (21) with 37 points pushing Richard Cridge (26) into second place on count-back. Third place was taken by Mike List (23)

also with 37 points.

Whilst some of the players found the conditions difficult, the scores were, in the main very respectable and eight 2s were recorded.

The win by Peter Cogan also placed him first in the summer eclectic competition. In second place was Brian Walley with Keith Gibson third.

##### JUNIOR GOLF

THE final round of the Junior order of merit was played in excellent weather and course conditions last Saturday. David Lyon (8) and George Yorke (10) both played outstanding rounds of golf to record a net 72.

However, David was declared the eventual winner on count-back. Kai-To-Li (12) was close behind with a net 73.

ANGLING

# West Bay scoop Lyme Bay Trophy

WEST Bay Sea Angling Club easily won the annual Lyme Bay Trophy (Shore) held at West Bexington recently.

The hosts scored 59 points to take the title from last year's winners Lyme Regis SAC with 29 points.

Over 40 anglers from five clubs including Honiton SAC, Axminster SAC and Beer SAC took part in the 41st running of the event that saw each competitor only allowed to catch two of any species, with variable points awarded to species of fish.

A mixture of summer and winter fish were caught with cod, black bream and smouthound among the 12 species caught.

Lyme Regis SAC shore secretary Steve

Fowles presented Simon Bowditch, his West Bay counterpart with the Lyme Bay Shield.

This was the 17th time West Bay had won the trophy, with everyone doing really well fishing a rough sea with a few heavy showers.

## Other Shore Results: Daytime match Chesil Cove (August 28th)

MEMBERS fished a rising spring high tide at 7pm, but halfway through the competition the sea became quite rough which made fishing difficult.

The rocky area near Portland which usually fishes well with a few different species,

only produced a few small wrasse with the clear ground fishing very poor. Most members float fished for mackerel and gars.

1st: Paul House 1640gms 6 garfish, 2nd: Dave Cornick 1420gms 6 wrasse, 3rd: Simon Bowditch 780gms 1 mackerel 1 garfish.

Species Pool: Gerry Reed, Heaviest fish pool: S Bowditch garfish 385gms.

## Wally Pettet Memorial Trophy (Seatown - Saturday 3rd and Sunday 4th September)

SATURDAY started dry with couple of sole being caught along with some wrasse from the rough areas but the fishing was poor. Paul House lead the first day with 2900gms which included two bullhuss.

Sunday started with a strong wind which later turned wet.

Although plenty of pout were around, the fishing again became difficult. Lea Windsor found a fine bass of 2825gms plus a dogfish which helped him to capture the trophy. All members enjoyed a closely contested match.

1st: Lea Windsor 4590gms 1 bass 1 dogfish 12 pout, 2nd: Paul House 4450gms 2 bullhuss 12 pout 6 rockling, 3rd: Dave Cornick 3715gms 12 rockling 12 pout.

Heaviest fish pool: Lea Windsor Bass 2825gms, Species pool: Simon Bowditch 4 species.

## West Bexington (Thursday, September 15th)

NINETEEN members fished in this match on a quiet calm sea with an hour of day-

light which gave the members time to catch a few mackerel, garfish and scad using floats or pop up rigs.

Once it got dark dogfish arrived in good numbers and even a few very early whiting.

Oliver Mears caught a very good plaice of 745gms.

In total 11 different species were weighed in.

1st: Oliver Mears 6205gms 1 plaice 6 dogfish 2 mackerel 2 pout 3 whiting, 2nd: Hugh Rathbone 5900gms 6 dogfish 3 whiting 2 pout 2 garfish, 3rd: Adam Cullingford 5500gms 6 dogfish 2 scad 3 whiting 1 mackerel.

Heaviest fish pool: Craig Horton dogfish 935gms, Most species pool: Paul House 6 species.

## Saturday Junior Results (West Bay - September 10th)

ONLY seven members plus one guest turned up to fish, probably due to the weather as it turned out very rough and windy with the occasional shower.

Fishing was pretty slow with only three competitors weighing in. Species included bass, pollack, flounder and shanny.

Yasmin Harwood came out top, her second Saturday Junior win in a row.

1st: Yasmin Harwood 147g, 2nd: Elliot Joy 87g, 3rd: Jake Preston 31g.

# Beaminster hit Bournemouth for six

## Beaminster 6 Bournemouth 4th 0

BEAMINSTER Ladies hockey team began the new season with a comfortable win over Bournemouth 4th's with Izzy Davies opening her first team account with a hat-trick after doing likewise in the club's 2nd XI opener last week.

Davies who has joined the club this season could be the striker the club have been looking for to finish the chances that so often have been squandered over the last couple of seasons.

However it was Freya Crawford that scored the opening goal of what is hoped will be a more rewarding season for the West Dorset team who have struggled recently because of their lack of goals.

Having looked dangerous from the start Beaminster seized on a mistake in the overworked Bournemouth defence when a sloppy free hit in the visitors D was intercepted and Toni Aplin fed Crawford in front of goal.

Although the keeper blocked her effort, the ball squirmed behind her and over the line.

Bournemouth hit back in what proved to be their only real period of pressure in the match with some good attacks down the right side, but after five minutes Beaminster continued their assault on the visitor's goal.

Such was their superiority that keeper Phoebe Stewart did not touch the ball once in the whole game.

They increased their lead on 23 minutes with the best worked goal of the game. Crawford wide left put in Julia

May who danced along the byeline before squaring her pass across goal where Davies neatly slipped the ball wide of the keeper.

The game was effectively over two minutes before the break when Davies pounced on another poor ball played across the face of the D before slotting home after tricking the keeper.

May added a fourth two minutes after the interval when she completed a short corner routine at the near post following her injection, before Danni Donovan scored the fifth from close range after Aplin's effort had been blocked by the keeper.

Beaminster swarmed all over the Bournemouth side as they created chance after chance, maybe sometimes trying to be too clever around the goal instead of choosing to shoot earlier.

May hit the post before playing in Davies to complete her hat-trick when she left the keeper on the ground with a shimmy, before lifting the ball over her into the net.

This year Rachel Andrews will play outfield with Stewart taking over in goal which will strengthen the defence, which once again looked solid, whilst the midfield of May, Donovan, Ali White and Becky Craddock ran the game and created chances for the forwards.

This was a great start for Beaminster which sees them sit atop the Channel 1 division, but they must not get carried away because there will be harder matches for sure.

However it is always good to get three points from the first match on which they can hopefully build.

# Youth football round-up

## BRIDPORT

SUNDAY was another very successful weekend of football for Bridport Youth football teams.

**Bridport U11s** played hosts to Wool and Winfrith and were one up inside 90 seconds with a well taken goal from Jaydon Brown as they ran out convincing 16-1 winners.

Their passing and movement improves every week and they soon began enjoying their football as they totally dominated the first half with goals from James Cox (2), George Wyrill, Cameron Sayers and another from Brown; Winfrith getting a consolation.

Captain Thaisen Chant had yet another cracking game, play making, supporting and distributing to perfection. Daniel Elliott's contribution didn't go unnoticed either, and was unlucky not to get on the score sheet, whilst the defence played as a unit once more.

Substitute Kai Hawker claimed the MOM award for his energetic second half performance operating down the line where he whipped the ball into the box at every opportunity as well as scoring, as Bridport continued their superiority.

Cox added another three to make it five in total on the day; his best a 22-yard free kick over the wall into the top right hand corner, whilst another half-time sub Harrison Tuck scored a quick fire hat-trick, showing strength and confidence. Wyrill completed his hat trick with two more and Chant also added to the score.

The **U10 Jets** good form continued with a 7-2 home victory against AFC Chesil Devils; with doubles from Frankie Chant and Marcus Burt, and strikes from Josh Craven, Jack Parkman and Ollie Hoole the scorers. Lewis Keenan made some superb stops in goal to keeping the visitors at bay.

This was a deserved result for their hard work in training.

Maintaining their position at the top of Division two are the **U15s** who continue the unbeaten run in a physical game at Dorchester Magpies.

After some early pressure from the home team Bridport managed to get the measure of them and Jonah Ayunga scored a

vital goal in the first-half.

In the second-half Bridport were reduced to 10 men and could not hold out against the pressure and came away with a creditable 1-1 draw.

A changed Saturday game for the **U10s** saw them maintain their one hundred per cent start to the season with a tight 2-1 home victory against Blandford. Strong running and a perfect cross from Manny Cox allowed Morgan Napier to score the first with a powerful header.

Cole Lydon came on in the second-half and really made a difference with direct running and won a penalty for the home team. Finlay Davy drilled home from the penalty spot. The large crowd was a credit to the club and it was a great atmosphere.

The **U9s** had another good victory away at Chickerell. After absorbing early pressure, Ethan Robertson scored a first half hat-trick, the third a superb individual goal ending with a left footed strike into the top corner.

The second half was an end to end game. Bridport keeper Archie Kershaw was called into action and kept the home team out with some great saves. Harrison Weeks scored the fourth goal on his debut to close out the game. Man-of-the-Match was Robertson.

**Bridport's U8s** travelled to Portland. Toby Pattemore and Dillon O'Brien in defence gave nothing away, Bridport keeper Jay Collins a mere spectator. The Bees kept a good shape and created a host of chances, whilst Tom Kilcoyne was a threat up front with his direct football.

The **U14s** finally beat a Dorchester Raiders team who have had the upper hand on them in recent years. It was a very accomplished performance and after going 1-0 down in the first few seconds, Bridport dominated for large periods of the rest of the game; Liam Sayers scoring two and Freddy Woolner the other.

The result should have been far more convincing but the home team spurned so many chances and the visitors keeper was in inspired form. MOM Rhys Hayter.

The **U12s** maintained their great start to the season with a close 5-4 away victory at Gillingham.

WEST DORSET RUGBY REPORTS

WITH KEITH JENKIN

# Bridport still a work in progress

STRANGE to say but, of the eight clubs I cover, only one, Dorchester had a home game on Saturday last. As I had watched them just two weeks ago I did not feel that I could inflict my presence on them twice in such a short space of time, and therefore decided to make the short journey to Yeovil, and to take in Bridport's game at Ivel.

## IVEL BARBARIANS 24 BRIDPORT 10

THERE was a considerable breeze blowing down the Ivel Barbarians' ground and the home side chose to play with it at their backs in the first-half.

The first ten minutes really belonged to them and they had a chance to cross the whitewash, only for the final pass to be knocked on.

They won a penalty in the Bridport twenty two also and perhaps should have done a little better with the place kick. They were awarded a second penalty after 10 minutes' play, only to see their kick rebound from an upright and, although Bridport were living a little dangerously at this stage, the first ten minutes remained scoreless.

Bridport did get into the game after 15 minutes. Their opponents were giving away rather too many penalties at this stage, and the visitors prospered accordingly and could well have scored around the end of the first quarter. They conceded a penalty of their own close to the line however and Ivel used the elements to kick clear.

The home side's rather large and lumpy pack was having the better of the set scrums and, from a five metre scrummage on the half-hour they sent the ball to the narrow side and one of their midfield took the outside curve and got over some five yards in from touch. Their kicker seemed to have an abiding affection for the woodwork and his conversion kick again rebounded.

Bridport got back on terms in short order when, from a position in midfield they sent the ball left and, as the move looked to be going nowhere, winger Smith showed considerable pace, ran round the cover and touched down halfway out. The try remained unconverted but Bridport were now level at 5-5 after 35 minutes' play.

They received a setback just before the break however when flanker Edwards was sent to the bin for persistent off-fending.

In his absence Ivel pushed the visitors off their own ball in their twenty two and went down the narrow side where one of their midfield got over five yards in from touch. The place kick was accurate this time and the home side led 12-5 at the break.

At this stage I felt that, although behind, Bridport were far from out of it for they would have the wind in the second half. They fell further behind in Edwards' absence when, early in the second period, they failed to clear their lines after taking the ball into contact in the twenty two.

The turnover came and Ivel took advantage of the gap in the defence close to the breakdown and got over. Again their place kick rebounded but, with the score now standing at 17-5, Bridport had much to do.

They threw themselves a lifeline with 25 minutes left however. From rather scrappy possession in their opponents' twenty two, centre Clark made a good break and had the strength to get over close to the posts.

The kick from in front was pulled wide however and, try as they might in the final quarter, they could not break the shackles that the home pack had imposed, especially in the set scrums and Ivel scored a final try in the last 10 minutes, converted this time, to pull clear.

In spite of having some individual thrust evident amongst

their backs, Bridport will know that their rebuilding is far from complete. It is difficult to compensate for the fact that your pack is going backwards at the set scrums. The sin binning did not help much either.

## DORCHESTER 15 TROWBRIDGE 5

THE late withdrawal of vice-captain Mitchell disrupted Dorchester initially and was perhaps, responsible in part for their slow start, with the visitors forcing them on to the defensive for much of the first quarter.

They defended well however and, having sent Trowbridge empty away, went upfield and took the lead with a try by Newsam, converted by Bament.

It was Newsam again some ten minutes later, but this time in the role of provider. His good work created a chance for Idris Croft. The centre scored in the corner and Dorchester would have been satisfied with their 12-0 interval lead.

It was the home side who pressed early in the second-half and could well have made the result secure during this period. Chances were missed however and a period of Trowbridge pressure then ensued.

Again the home defence coped and, with 15 minutes left for play, Bament kicked a penalty, thus taking his side more than two scores clear.

They fell foul of authority subsequently however and, with just 14 men on the field, play took place for the most part in their twenty two during the final few minutes.

Finally Trowbridge's persistence was rewarded when they got over for a consolation try, with the missed conversion being the last kick of the game.

## NORTH DORSET 2nd 21pts, WEYMOUTH 47pts

THE Weymouth first side had to come from behind in this Dorset & Wilts league Division One (South) encounter, but finally stretched away to win decisively.

They were caught cold in classic fashion as the home side nipped in for a converted try, touched down by the posts, before the game was a couple of minutes old. They settled however and came back with a converted effort of their own after speedy winger, Will Quick had cut a good line and touched down for Max Boudoir to convert.

North Dorset were most certainly still in the game at this stage and regained the lead with a penalty after Weymouth had infringed, but a second Quick try, again converted by Boudoir after 20 minutes, gave the visitors a lead that they were never to relinquish.

A second home penalty did narrow the gap, only for a try by hooker Reece-Kimble, after he had eluded his would-be tackler, and again converted by Boudoir, saw Weymouth stretch away.

They scored again before the break. Vallance hacked on and Boudoir won the touchdown race. He converted his own score to give his side a 28-13 lead at the change round.

More was to come in the second period and, after North Dorset had again narrowed the gap with a penalty goal, Quick scampered in for his hat trick try to seal the win at 16-35.

Boudoir was having a good day with the boot but he could not add the extras to the next score, touched down by Wilson after the centre had run in from the home 10-yard line. He made ample amends soon after however when he converted Weymouth's final try touched down by skipper Julian Quick.

The visitors were out of sight now and, although North Dorset got over for an unconverted try late on, it was little more than a consolation score.

Both the Weymouth second and third sides took to the

field, with the seconds running out 17-0 winners over New Milton, while the thirds went down at Poole.

## PUDDLETOWN 19 SWANAGE & WAREHAM 4th 10

PUDDLETOWN, keen to build on the successful start to their league season, entertained Swanage & Wareham fourths in a friendly game.

The home side started well and took the lead with a try by Marcus House who was first to react after a relieving kick out of the visitors' defence had been charged down.

Skipper Yeatman added the extras but was unable to convert a subsequent touchdown by hooker, Michael-Beale. The visitors were by no means done however and reduced the arrears with an unconverted effort just before the break, leaving the half-time scoreline at 12-5.

Home fitness levels began to tell in the second period however and Puddletown stretched away with a Martin Spicer try, scored from close range after good work by his colleagues in the eight.

Yeatman again converted to take his side clear and, although the visitors did impose some pressure later in the game, an unconverted try, scored after a breakaway, was their sole reward as Puddletown held on for the win.

◆ **Note:** On Sunday 9th October the PUDDLETOWN club host the fifth annual "Piddle Dash", a 6km sponsored run for men and boys in aid of Prostate Action and the locally based Weldmar Hospice Trust. So far the event has raised £25,000 and the hopes are that that the total can be pushed beyond £30,000 this year.

The event starts at 10.30am and includes a barbeque, a licensed bar and, new this year, a men only cake competition.

Entry is free and further details, together with Registration and Sponsorship forms can be found on the club's website at [www.puddletownrnf.org.uk](http://www.puddletownrnf.org.uk).

## PREVIEW

THE leagues have a Saturday off next week and local cup competitions come to the forefront.

DORCHESTER have a first round bye and are therefore, without a fixture. Their seconds however have a nice juicy encounter when they entertain Weymouth seconds.

WEYMOUTH firsts too are on the road and will travel with some confidence to CALNE who reside in the Northern section of the Dorset & Wilts first division and who have not enjoyed nearly as pleasing a start to their campaign as Weymouth.

BRIDPORT, likewise play away from home, and they too have a game that they should win, for their opponents VERWOOD lie in the division below.

PUDDLETOWN travel to POOLE for the second time this season. On the previous occasion they returned having won by a single point. They will have to be at their best if they are to repeat that performance.

Bridport seconds should travel to Colerne; but their opponents might not be able to play host, and the venue therefore is at present undecided.

## FIXTURES October 1st

Bridport v Verwood (away); Bridport 2nd v Colerne; Chard v Barton Hill; Chard 2nd v Martock (away); Crewkerne v Somerset; Dorchester 2nd v Weymouth 2nd; Honiton v Falmouth; Honiton 2nd v Tavistock 2nd; Puddletown v Poole (away); Sidmouth v Penryn; Sidmouth 2nd v Exmouth 2nd (away); Sidmouth 3rd v Exmouth 3rd; Weymouth v Calne (away); Weymouth 2nd v Dorchester 2nd (away).

# Handicapper finally makes his mark

THE HANDICAPPER finally caught up with Bob Buckler-trained Ethiopia and Cullahill after a very successful summer **WRITES STUART BROOM.**

"If there's one thing certain in racing it's that the handicapper will finally catch up with you," said Buckler after the Nick Elliott duo had run at Newton Abbot in midweek.

The pair have had an outstanding run of form since the spring; the end of last season's national hunt season and the beginning of the new one.

Unfortunately it may mean that Cullahill will need another throat operation after he choked badly in the Tribute Handicap Chase over 3¼ miles and had to be pulled up by A P McCoy after featuring well until the last half mile.

"He once again jumped very well but the ground was actually much softer than they claimed. Having been used during the summer, the surface has become badly chewed up through watering, and although the surface was flat, it was sticky and he eventually tired and choked badly. He has had one operation, but with the weather forecast to be good for the next few days we may give him another run with a tongue tie. Failing that we may have to look at another operation during the winter.

"He really needs firmer ground and could benefit from a more galloping track, despite the fact he has won at Newton Abbot." Ethiopia meanwhile was well placed just behind the leaders and briefly moved into second as they started to turn for home, but could not match the first three for speed but ran on well to finish fourth.

"He jumped well and ran up to his handicap, but the race is a step up in grade for both horses. They have both had wonderful summers but the handicapper if he does his job correctly always wins."

Ethiopia has won four of his eight races during the last five months and been placed in two others, whilst Cullahill has won three of his nine races and been placed in four others.

Mister Matt meanwhile has been entered for a Grade 4 race at Bangor-on-Dee on Thursday, or may wait 24 hours for a Grade 2 race at Fontwell Park providing he is not balloted out, where Ballygullen may well also take another step towards fitness.

## Dorchester U17 12 Bridport 26

THE local bragging rights returned to Bridport as they avenged their earlier loss away to Dorchester with two sparkling tries and a fine exhibition of goal kicking.

It was a win built on a solid performance from the forwards who dominated the set-pieces and were made to work hard in defence, with the backs exploiting many of their opportunities. Indeed cooler heads and better communication would have given the blues at least two or three more tries.

However, Bridport exerted good pressure right from the start and went ahead when Bob Lester-Card kicked a penalty from wide out for offside.

They immediately increased their advantage when the visiting pack won possession against the head and James Hansford broke to set up Will Haggerty to run from halfway and score under the posts, Lester-Card converting.

However Dorchester hit back to cause panic in the Bridport defence and they drove a maul from a line-out and having dragged in the defenders, put the ball wide and scored in the corner.

An impressive penalty by Lester-Card from the 10m line completed the first-half scoring.

The hosts reduced the arrears soon after the restart when Bridport missed a tackle on the winger, allowing him round under the posts, easing the conversion.

From there on Dorchester exerted a lot of pressure but tremendous efforts by the forwards in the scrum and line-out, where they won many off the opposition throw, kept the home side at bay.

Lester-Card, kicking into the breeze, made it look all too easy as he kicked another penalty from the 10m line, before Bridport scored their second try from another break-out, with Haggerty releasing Dylan White as the full-back committed to the tackle, for an easy try and straight forward conversion.

Lester-Card completed the scoring with a penalty after Dorchester were penalised for a deliberate knock-on for a well earned Bridport victory.

## Weymouth II 17 New Milton II 0

A GOOD team performance produced

a good victory in this friendly which sprung to life in the second half after the first period had finished 0-0; a good run down the wing from Simon Comben who stormed through the New Milton to touch down in the corner opening the scoring

Weymouth continued to pressurise the New Milton defence and after New Milton had grounded had grounded in their own try area number 8 Tom Beech flew off the base and offloaded to scrum-half Gordon Tye who crossed in the corner to extend the lead to 10-0.

As the game wore on, Weymouth dominated more and more and it was Andy Bowditch that stormed over to score the last try of the game, with new fly half Nick Sheppard adding the extras.

Second team Captain Kevin Leatham said: "Well done to all of the players, we played well today and the score line I believe reflected the game. Most of all I was really impressed with our defence"

If anybody would like to come along and play rugby, training is on a Tuesday and Thursday night at the club (Monmouth Avenue) from 6.30pm to 8pm.

## FOOTBALL ROUND-UP

WITH STUART BROOM

# Bees ease through after goal riot

## Magpies fail to get out of the blocks

**DORCHESTER TOWN 1 WESTON-SUPER-MARE 3 - ATT: 367**

Tuesday, September 20th  
WESTON-Super-Mare won this FA Cup rehearsal at a canter as a misfiring Magpies failed to show any of their recent good form on a damp and miserable evening at The Avenue.

Dorchester went into this Blue Square South match full of confidence on the back of two good wins and a narrow defeat at Basingstoke where they just failed to overcome playing the last hour with ten men.

After a sterile start to the match in pouring rain that made the surface tricky, the Seagulls took the lead on 18 minutes in the first serious effort on either goal; Dayle Grubb's free-kick being converted at close-range by Ben Hunt who was afforded a second chance after his first effort had been blocked by Nick Jordan.

The Magpies finally got a shot on target four minutes later when Nick Crittenden found himself on the edge of the box in space, but his full blooded volley was straight at Seagulls keeper Lloyd Irish.

Jordan was forced to turn away Kane Ingham's curling shot from the left hand angle of the box before Rico Wilson just failed to reach Crittenden's driven cross having been fed by Ryan Moss.

Weston had Chris Young and Jamie Laird booked before in the ten minutes before the interval and Dorchester's Moss and Ben Dickenson joined them early in the second half.

Weston sealed the points with two goals in three minutes before the hour.

A quick throw-in close to the left-hand corner flag caught the Magpies defence off guard and gave Ingham the chance to turn and beat Jordan with a curling shot into the top near angle of his goal.

Kyle Critchell then became the fifth name in Iain Parsons book and from the resultant free-kick Jamie Price found room to guide Grubb's free kick over the head of Jordan who got a hand to the ball, for his fourth goal of the season.

Frustration got the better of the Magpies players as Steve Devlin and Nathan Walker were yellow carded along with Nabi Diallo and Price of Weston as the game turned into a turgid spectacle, but there was consolation for the home fans when Moss pulled a goal back two minutes from the end. He rose highest to Neil Martin's free-kick resulting from Price's foul to direct his header beyond Irish and into the corner of the net.

"A miserable night and a miserable game," was disappointed manager Ashley Vickers apt summing up.

"We didn't play well. The previous three games had been positive and although we lost at Basingstoke on Saturday, the performance was really positive and on another day we could have got something out of the game."

Vickers was critical of some of the players' choice of footwear and annoyed that all three goals were the result of set-pieces.

"I can't remember a chance they really created in open play. They might have kept possession of the ball but we conceded from three set-pieces, which is so disappointing."

## Shot-shy Magpies pay the penalty

**DORCHESTER TOWN 0 WOKING 1 - ATT: 628**

Saturday, September 24th

INJURY-HIT Dorchester Town suffered their third consecutive defeat when they went down to league leaders Woking at The Avenue on Saturday.

Already without the injured Nick Crittenden and captain Mark Jermyn, Kyle Critchell withdrew through illness whilst on-loan keeper Nick Jordan was knocked off his bike on Friday and whilst not seriously injured, was not fit to play.

As a result manager Ashley Vickers recalled keeper Alan Walker-Harris and gave a first start to Portsmouth loanee Lewis Tallack at full-back.

Dorchester were keen to erase the memory of Tuesday's 3-1 dismal home defeat by Weston-Super-mare, and the game began at a high tempo with both sides eager to get the ball forward.

Moses Ademola had a great chance to put the Cards ahead on five minutes when Derek Duncan's free-kick was headed on by Wayne Gray but the striker who has already scored seven times this season, missed his kick from ten yards with just Walker-Harris to beat.

The Magpies responded three minutes later when Steve Devlin's vicious drive from the 22 yards was blocked. The ball ran to Ben Dickenson whose driven shot-cum-shot saw Ryan Moss slide in but his shot under pressure just cleared the bar.

Devlin almost scored a sensational goal on 17 minutes following Woking skipper Mark Rickett's foul on Moss five yards inside the home half.

The combative midfielder, spotting Cards' keeper Aaron Howe stood on the penalty spot, immediately launched a 60-yard free kick that just cleared the Cards crossbar with Howe stranded.

Neither side were finding it easy to breach the others defence, and shots at goal were rare, although Gary Hill's side did look the more confident, with Dorchester finding it difficult in the last third of the pitch.

Paris Cowan-Hall fired in an angled shot that Walker-Harris pushed up in the air before catching and Gray show wide from 20 yards as half-time approached.

Ademola had another chance in added time when former Magpie Giuseppe Sole's corner dropped in the goal-mouth where Harris-Walker did well to block Joe McEnerney's close range effort which looped up in the air. However the former Brentford striker headed the rebound over the crossbar.

Dorchester could not be faulted for their endeavour, but Woking turned the screw after the break and Jack King fired past the post from 20 yards before Vickers replaced Dickinson with Rico Wilson and reverted to from a 4-5-1 formation to 4-4-2.

Walker-Harris dived low to cut out Ademola's driven cross from the byline before the striker finally broke the deadlock on 62 minutes with a well struck winner.

Duncan picked out Ademola who controlled the ball and took a step aside, before burying his drive beyond the keeper's right hand with the outside of his right boot from the edge of the box.

The introduction of Jamie Symes for Tallack saw the Magpies formation change once again to 4-3-3 as Vickers looked for the equaliser, and when Moss outran McEnerney, the speed of his cross took Howe by surprise and the ball cannoned off his forearm into the air and was cleared.

The game opened up a little in the last 15 minutes and a quick break following a Dorchester corner saw Cowan-

Hall fire in a 35-yard shot that Walker-Harris had to push over the bar.

Sub Elvis Hammond, with oceans of space by the right corner flag, pulled the ball back to Ademola who chested the ball down before driving a shot across goal and off the outside of the far upright.

The Magpies had a shout for a possible penalty turned down when Duncan appeared to push over Moss as they tangled on the right side of the penalty area before that man Ademola had one final chance, but after nodding the ball past Walker-Harris he was thwarted by Neil Martin who had got back to head the ball away from danger.

Dorchester cannot be faulted for their effort and application and their performance was far superior to mid-week, but Woking, the best side to have visited The Avenue this season, were cohesive, collected and classy and worth their win.

From the Magpies perspective Tallack looked very solid despite his lack of match practice whilst Walker-Harris took the opportunity to show his manager what good form he is in.

In addition to a couple of smart saves, his anticipation in racing from goal to support his defence and clear his lines was first class.

## ANDOVER NEW STREET 3 BRIDPORT 6 - ATT: 69

Saturday, September 24th

BRIDPORT eased through to the first round of the FA Vase following this high scoring game and now face Christchurch who beat Horndean, conquerors of the Bees three weeks earlier in the FA Cup.

Having raced into a three goal interval lead, the Bees appeared to take their foot off the accelerator which allowed their hosts to snatch two goals and haul themselves back in the tie.

The score however does not reflect the number of chances Bridport created and but for some bad luck and good goalkeeping the result could have been much wider.

Bridport started brightly on a pitch that was not the best surface which made control difficult, and led to three or four chances going begging through poor control and over elaboration.

They made the breakthrough on 28 minutes when Matt Condliffe volleyed home from the edge of the box before Dan Wise added a second two minutes later when he crashed home a typical 30 yard shot that beat New Street's 'keeper Cray Sams.

Sam Charles was then thwarted twice in quick succession. First he chested down the ball with his back to goal, but Sams rushed from his goal to smother his attempted shot, before producing an exquisite overhead kick that beat Sams on its way to the top corner.

However defender Bobby Swayne sprung into action to tip the ball to safety and was promptly red-carded, and although Sams blocked Wise's spot-kick, the midfielder potted the rebound.

Although Russell Legg had already been replaced with a suspected hamstring injury, manager Trevor Senior, with the game apparently won also replaced Chris Clarke who had only passed a fitness test before the game.

However New Street hit back on 56 minutes when Isaac Sedu scored.

The hosts broke quickly after defending a free-kick and with a defender trying to usher the ball back to Sam Filkins the lively striker nipped between them as the Bees

keeper stood on the edge of the box waiting to collect.

Tom Richardson spurned a good chance before Sam Charles hit the underside of the bar. The ball was immediately punted up field and Matt Styles beat Filkins with a lob that crept just inside the upright to reduce the deficit to one.

Bridport's response was immediate and Shane Evans had a shot blocked whilst Sams denied Sam Charles with two excellent saves.

Finally Richardson got on the scoresheet on 70 minutes when Sams could only palm Evans cross from wide on the right and the former Terras converted at the far post.

Sub Robin Jones, in only his second game for the senior side, his first two seasons ago, added a fifth to put daylight between the sides with 11 minutes left when he beat the offside trap to race through and lob Sams.

Styles pulled one back with a good individual goal but Sam Charles finally put the game to bed in the final seconds when he raced through from the halfway line to keep his nerve to slide the ball past Sams.

## Bees bag points after lethargic start

**BRIDPORT RESERVES 2 TINTINHULL 0**

BEES joint-manager Steve Crabb admitted this was not the prettiest of games and that his side had looked lethargic in what was a fairly turgid first-half with neither side looking likely to score.

However with his side taking on board the need to get the ball in behind their defence, they scored twice in the first 15 minutes of the second-half to seal the points.

"It wasn't the prettiest game to watch. They had three big lads at the back and we were trying to play through them and it wasn't working," said Crabb.

"We needed to use the width of the pitch and get behind them which is what we did after the break and as a result scored two goals fairly quickly which killed the game off.

"We were quite comfortable then until about 10 minutes from the end when to be fair they had a go at us and had us on the ropes a bit but Jamie Fry brought off a couple of excellent saves."

Carl Bulman got the ball rolling by crossing from the eight and when the ball ran free as Ben Clarke challenged the keeper, Roger Cummings was on hand to snap up the loose ball to score. The second came on the hour when Jamie Morgan's right wing shot-cum-cross from 25 yards found the top corner of the net.

Bridport had chances after that which they spurned giving Tintinhull the opportunity of getting back in the game, but Fry, recovered from the knee injury that saw him replaced at halftime last week, made sure there were no late scares.

◆ BRIDPORT Thirds lost their top-of-the-table clash with Corfe Mullen United who maintain their unblemished start to the season with a 3-1 victory.

■ SPOT ON: Ben Eve who looks destined for national success

# Ben hits all the targets

A BEAMINSTER School pupil who only took up archery seriously 18 months ago is already on target to becoming one of the country's top archers and has already achieved national champion status.

Ben Eve, a Year 8 pupil at Beaminster School, joined Bride Valley Junior Archers only 18 months ago following a short introduction with archery at an after school club run by coach Paul Kingston.

Since then he has gone from strength to strength in his achievements, having travelled the country competing in the barebow form of the sport in both Target and Field competitions where he has been successful in gaining six national, and countless regional and county records.

Ben was selected as one of the seven 'Team England' members at the National Junior Field Championships held in the Lake District in August, and followed this earlier this month by representing Dorset and Wiltshire at the Junior Inter-counties Championships.

Along with club members Reuben Kingston, Jenny

Stazicker and William Stazicker, the team finished second overall with Ben successfully winning the barebow Juniors U18 event.

Eve is currently the Junior National U14 indoor and U14 Outdoor Barebow champion, and also won the British U14 Indoor Barebow Championship last November where he was also positioned 7th in the World for his performance at the event in his respective category.

This year he has been awarded the prestigious Junior Master Bowman (JMB) award for his U14 age group by achieving qualifying scores at Record Status Shoots.

The JMB is a classification awarded by Archery GB, the UK national governing body for archery that recognises the top 1½ per cent of archers that regularly attend competition events for their respective bow style, gender and age group.

Ben is planning to continue his success with many planned events in the next coming months.

## INSIDE: Superleague darts team in win double SIX-HIT BEES NEED TO BE MORE RUTHLESS

BRIDPORT manager Trevor Senior was satisfied that his team were never in any danger of losing against Wessex League Division One Andover New Street side in last Saturday's 6-3 F A Vase tie, but felt they had not been ruthless enough.

"We should have had double figures to be fair, the chances we created, and I was disappointed with the three goals against us."

The victory ensured the club of £700 prize money, and they now visit Christchurch in the First Round Proper on October 22nd.

Senior said: "We should have won more comfortably. To be fair they started quite brightly, but the pitch was not the greatest to be fair, it looked okay from the side but was quite bobbly, so we couldn't get it down and pass it very well but we did okay."

"We had three or four early chances but we wanted to take that extra touch and with the pitch being uneven we fluffed them."

Eventually Matt Condliffe and Dan Wise scored twice within two minutes on the half-hour and then the hosts had a man sent-off

**BY STUART BROOM**

for handball from which Wise added a second after his penalty had been saved to give Bridport a comfortable 3-0 interval lead.

"I said at half-time this could be a cricket score if we do it properly and keep moving the ball around."

"They are not very good but if we don't kill them off they might just get back into it, and that's exactly what happened."

Andover pulled one back in the 56th from a breakaway before creating two more good chances, the second in the 67th minute when Sam Charles hit the bar from which the hosts broke away and scored again to narrow the deficit to one goal.

"Both their goals came from breakaways and I'm thinking how on earth have they got it back to 3-2; we should be out of sight!"

Senior changed his formation for this match to counteract Andover's direct style of play,

switching son Chris into a holding midfield position; a move that was a success, but the change meant leaving out Adam Symes.

"I left Adam out, not because he had done anything wrong, just so that I could try Chris in the holding midfield role, which worked pretty well. It's something I have been thinking about for a while, and to be fair when Adam came on he responded in the right way."

Symes came on for Russell Legg who had to be replaced on 20 minutes with a hamstring injury and Senior said: "His first couple of contributions livened us up a bit to be honest, and he went on to have a good game."

On reflection the Bees boss said: "It was disappointing to let three goals in, and if we had been ruthless we should have buried them."

"I think we were too over elaborate and tried to score good goals, but as Jimmy Greaves said 'You don't need to score good goals, you just need to be a good goalscorer'."

"From a confidence point of view however it was good to hit six."
